Re: Withdrawn Comments to Determination Reports for Rules 10A NCAC Subchapter 27G, *Mental Health, Community Facilities and Services*

Dear Ms. May:

Per your request, attached please find courtesy copies of the withdrawn comments which were initially submitted in response to the published Initial Determination Reports for the Rules in 10A NCAC Subchapter 27G, *Mental Health, Community Facilities and Services* (27G Rules). As we have discussed previously, these comments were withdrawn in writing in their entirety before the Final Determination Reports for these rules were submitted on April 15, 2019 (including copies of the notices of withdrawal).

When these comments were formally withdrawn prior to the completion and submission of the Final Determination Reports, legally and factually, they ceased to exist and were removed from the review process for the 27G Rules. Accordingly, these withdrawn comments should have no legal significance or bearing on the continued review of these rules.

Please do not hesitate to contact me should you have questions regarding this correspondence.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Denise Baker".
