Subject: RRC Request for Technical Changes

Please acknowledge receipt of this email!

Good afternoon, Lars and Denise!

I am the attorney reviewing the above-referenced rules submitted by the State Human Resources Commission for RRC review at the June 20, 2019 meeting. The meeting will begin at 9 a.m.

As reflected in the attached document, I am asking for technical changes to most of the rules and a few forms. I need the properly formatted electronic copies of the rewritten rules emailed directly to me by 5 p.m. on Tuesday, June 11, 2019. You can bring physical copies of the rules and forms to the meeting.

Regarding the forms: As a rulemaking coordinator, I fully understand and respect saving a copy of a form to the desktop and just using that version every time I file rules. However, we now have a new version of the form that was updated in March of this year. ([Here's a link](#) to the page with the updated form.) In addition, the old version of the form that you saved and submitted lists Denise's personal email address (Denise.Mazza@Live.com), rather than her State government address. Except for those forms that I specifically asked to be changed in the attached, you do not need to update the forms now. However, going forward, I encourage you to delete your saved versions and use the new version of the form with the correct email addresses.

Please let me know if you have any questions or concerns regarding the attached. I am always happy to assist!

Amanda
