AGENCY: State Board of Education

RULE CITATION: All Rules

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Throughout these Rules, there is no need to provide both the name and the acronym when a term is defined. Please feel free to use one or the other.

*Throughout these Rules, where a passing score or minimum examination requirements are mentioned, please confirm that the passing score is provided somewhere. I note that that G.S. 115C-270.15 says that **they are not subject to the rulemaking process and the APA.***

Please add the effective date at the bottom of the History Note of each Rule.

Throughout these Rules, you will see that I have offered suggested revised language. I have done this in an attempt to clarify a concern, most often as it relates to the clarity of the rule. You are in no way required to use any suggested language. To the extent that you choose to use it, or any variation of it, please ensure the accuracy and feel free to make any changes that you deem necessary. It is absolutely never my intent to change any substantive requirements or otherwise change the meaning of your rule. If I have inadvertently done that in a suggestion revision, then please ignore the suggestion.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

RULE CITATION: 16 NCAC 06C .0334

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Items (1), (6), and (20) are defining a term with the same term, which makes the definition unclear. What is the difference between "accomplished", "Distinguished", and "Proficient"? Which is the highest? What needs to be done to achieve one of these designations? Are these terms defined elsewhere in rule or statute?

In Item (3), change "their" to "his or her"

In Item (18), what is your authority for a "permit to teach"? Is this an Emergency License pursuant to G.S. 115C-270.20(a)(2)? If so, please change the language of this Rule to be consistent with Statute

In Items (21) and (22), what is your authority to issue provisional licenses? The only provisional licenses I see referenced in your Statutes if for assistant principals.

In Item (22), what is your authority for a lateral entry license? It appears as though S.L. 2017-189 repealed 115C-296 which previously allowed for lateral entry licenses. Are lateral entry licenses now residency licenses?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Just so I understand what is going on, is the overall intent of this rule to say something like "In addition to the application, every applicant applying for a North Carolina education license shall provide the following:"? Alternatively, must they only submit the information if it's required pursuant to .0339-.0341 for their particular license? Please review and clarify.

If that is the intent, is the application information set forth elsewhere in rule or statute? Is that covered by .0337? If so, would it make sense to link these rules either by combining them or providing a cross-reference?

In Item (2), what is "Education as provided by Rule"? What Rule? Same question for Item (11).

In Item (3), can you provide some examples as to what this may entail?

Are the contents of the forms referenced in (5) and (9) set forth elsewhere in rule or statute?

In Item (6), what is the "work authorization"? Authorization by whom? When would it be applicable? Is there a cross reference available?

In Item (7), what is meant by "if applicable"? Just meaning if the applicant has the certification? If so, I think it's fine. I just want to be sure that I understand.

In Item (8), what is "effectiveness data"? When would this be applicable? Is there a cross-reference available?

In Item (10), what test scores? Just for examinations related to certification? Also, do not all licenses requiring testing? I'm thinking not based upon the other rules in this SubChapter.

RULE CITATION: 16 NCAC 06C .0339

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Is this in addition to the information required by .0337 and .0338?

On line 4, please provide the more specific cross-reference to G.S. 115C-270.20(a)(1).

Please consider deleting "complete all State Board of Education (SBE) requirements appropriate for the license as follows:" The way that I'm reading this Rule, it essentially says, "In addition to the requirements set forth in 115C-270.20(a)(1), a person seeking a CPL must also do these things." If that's the case, I think this language is unnecessary since the purpose of the rule is to set down the requirements. Could you say "In addition to the requirements set forth in G.S. 115C-270.20(a)(1), an applicant seeking a Continuing Professional License (CPL) shall:"

In Item (2), passing test scores related to what examinations? Those necessary for licensure? Also, what is considered passing? Is this provided elsewhere in rule or statute? I note that .0338 just said "test scores."

Is Item (3) necessary? I read G.S. 115C-270.20(a)(1) to always require three years of experience.

In Item (4), where is the underlying requirement that the CPL be recommended by the EPP? I assume that since the statute requires three years of "licensed teaching experience" that this relates back to the underlying license? If so, I think this is fine as written. I just wanted to be sure that I understand.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

FOR AN EDUCATOR**

To be issued a Continuing Professional License (CPL), an applicant shall satisfy the requirements of G.S. 115C-270.20 and complete all State Board of Education (SBE) requirements appropriate for the license as follows:

- (1) Submit official degree dated transcripts;
- (2) Submit passing test scores;

RULE CITATION: 16 NCAC 06C .0340

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: *This request may extend to several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Is this in addition to the information required by .0337 and .0338?

On line 4, please provide the more specific cross-reference to G.S. 115C-270.20(a)(3).

Please consider combining this Rule and .0347 for purposes of clarity. A suggestion incorporating many of these notes is included below. Please note that you are in no way required to use this suggestion.

Please consider deleting "complete all State Board of Education (SBE) requirements appropriate for the license as follows:" The way that I'm reading this Rule, it essentially says, "In addition to the requirements set forth in 115C-270.20(a)(3), a person seeking a IPL must also do these things." If that's the case, I think this language is unnecessary since the purpose of the rule is to set down the requirements. If you keep any variation of this language, please delete "State Board of Education." Since you have defined "SBE", you don't need it.

In Item (1), I just want to verify that this is intended to be one item – "official degree dated transcripts"? This is not intended to be 1) the official degree and 2) dated transcripts?

*In Item (2), where is the underlying requirement that the CPL be recommended by the EPP? G.S. 115C-270.20 requires that an applicant "complete a recognized educator program", not that he or she is recommended by them. Is the intent here that they also must get the recommendation (which I think you have authority to require)? Is the requirement that they receive the recommendation of the EPP elsewhere? Is this just a semantics issue whereby if the applicant completes a EPP, they are automatically recommended by it by way of their diploma (or something of the like?) **Note: After reading .0347 I see that this was not a correct understanding. I kept this note here simply to explain the clarity concern.***

Also, after reading .0347, what if an applicant gets direct approval from the SBOE? Then Item (2) would not be applicable. Please review and clarify.

A suggestion addressing the notes of this Rule is as follows:

(a) In addition to the requirements set forth in G.S. 115C-270.20(a)(3), to [To] be issued an Initial Professional License (IPL), [pursuant to G.S. 115C-270.20,] an applicant [must complete all State Board of Education (SBE) requirements appropriate for the license as follows:] shall obtain a recommendation from a State approved EPP or be directly approved by the SBE and submit the following information:

(1) [Submit] an official degree dated transcripts; [and]

(2) [Submit] the recommendation by the Educator Preparation Program or documentation of the approve by the SBE; and

(3) any applicable valid and current out-of-state educator license.

(b) If an applicant is seeking direct approval from the SBE, he or she shall submit XXXXXX (whatever is necessary to submit a request for approval.) The SBE shall approve the applicant if (however you all will decide to approve or deny the request.)

Please note if you choose to use this suggestion, please ensure the accuracy. It is never my intention to change the meaning of a rule, only to provide clarification or offer an explanation to my notes.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

There are some formatting issues with this Rule, including the lack of punctuation at the end of (3) and the period at the end of (4). I think that this will get corrected with other revisions noted below, but I wanted to mention it just in case.

Who is responsible for submitting the application for a Residency License? It appears to me that it's the LEA based upon G.S. 115C-270.20(a)(5), but that's not clear here. Here, do you mean something like "Any Local Education Authority seeking a residency license for an individual pursuant to G.S. 115C-270.20(a)(5) shall submit the following:"

Elsewhere in these Rules you have provided the acronym for each kind of license. I would suggest that you do the same here and add "(RL)"

In Item (2), are the contents of the residency form provided elsewhere in rule or statute? If not, please provide them here.

Is (3) necessary since the statute requires that "the LEA" submit the request? Is the intent here to make it clear that the individual must be in the employ of the LEA at the time of the request? If so, that's not clear. If that is the intent, I would suggest pulling this requirement out into its own Paragraph. Please note the same question for .0348.

Items (4) and (5) repeat G.S. 115C-270.20(a)(5) and are therefore unnecessary.

How does this Rule go with .0356? Would it make sense to combine them? I note that currently, this Rule only requires that a person "complete coursework" without providing how much. This has the potential of conflicting with .0356 which requires a specific amount.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Overall, what is your authority for allowing "provisional" licenses. I see that your Statutes allow for provisional licenses for assistance principals, but this appears to be applicable to more.

In (a), how is it determined whether a provisional teaching area "may" be added? What factors will be used? What requirements must be met in order for this to occur?

In (a), what is a "provisional teaching area"? I see that "provisional license" is defined, but this is not. Is this a "provisional license" in a particular area?

In (a), just so I understand – by "issued at the bachelor's level or higher" do you mean that if I have a license with an "A", "M", "S", or "D" then I can add a provisional teaching area?

In (b), what is meant by "may be met by testing"? I think that it would help to write this in active voice and say who is required to do what. Do you mean something like "Any licensee seeking to add a provisional teaching area (or provisional license in a particular teaching area) shall pass the applicable test required for that teaching area when added to the CPL or IPL"? If this is what you mean, please also provide the passing requirement or confirm that it is set forth elsewhere.

Also in (b), I wouldn't need to test if I want to add a provisional area in my CTE-A?

What is the intent of (c)? Please review and revise for clarity.

Also in (c), what are the "State Board of Education requirements" to be met?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

What is your specific authority for provisional licenses and this Rule? Is it G.S. 115C-270-20(b) since this is specific to student services? If this is applicable, I do not think that Item (7) would fall under G.S. 115C-270.20(b) since teachers are not included in the definition of "student services personnel" pursuant to G.S. 115C-270.1.

In (1)(a), accredited by whom? What is the difference between an "accredited" as referenced on lines 7 and 12 and "regionally accredited" on lines 11-12?

In (4)(b), what is meant by "all program requirements at the advanced level"? Is an "advanced level" something familiar and specific to psychology education programs? Does this simply mean "do what the school tells you to in order to get the degree"?

In (4)(b), what is meant by "... has matriculated concurring with the individual's employment"? What if employment and the education don't overlap? Is a provisional license only issued when there is overlap? If so, that's not clear either here or in your definition.

In Item (4), what is the difference between "written confirmation" in (b) and "official degree dated transcripts" in (c)?

In Item (5), do you want to switch (b) and (c) to be consistent with the rest of this Rule?

In Item (5)(c), delete or define "successful"

In Item (6), do you want to switch (b) and (c) to be consistent with the rest of this Rule?

In Item (6), what is an "advanced level license" as it pertains to school psychology?

If you have authority for Item (7) and keep this, you can't have an "a" without a "b"; therefore, please make this one sentence and say "teaching licensee shall be employed by an LEA."

AGENCY: State Board of Education

RECOMMENDED ACTION:

- ☐ Approve, but note staff's comment
- X Object, based on:
 - Lack of statutory authority
 - Unclear or ambiguous
- X Unnecessary
 - Failure to comply with the APA
- ☐ Extend the period of review

COMMENT:

Staff also recommends objection to this Rule for lack of necessity because it repeats the requirements of G.S. 115C-284(c).

§ 115C-284. Method of selection and requirements.

(c) The State Board of Education shall have entire control of certifying all applicants for supervisory and professional positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates, and shall determine and fix the salary for each grade and type of certificate which it authorizes. The State Board of Education shall require each applicant for an initial certificate or graduate certificate to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score at least equivalent to that required by the Board on November 30, 1972, on a standard examination appropriate and adequate for that purpose. If the Board shall specify the National Teachers Examination for this purpose, the required minimum score shall not be lower than that which the Board required on November 30, 1972. The Board shall not issue provisional certificates for principals.

The Board shall issue a one-year provisional assistant principal's certificate to an employee of a local board only if: (i) the local board determines there is a shortage of persons who hold or are qualified to hold a principal's certificate and the employee enrolls in an approved program leading to a masters degree in school administration before the provisional certificate expires; or

(ii) the employee is enrolled in an approved masters in school administration program and is participating in the required internship under the masters program. To the extent that this Rule is necessary and is not objected to, generally speaking, we read rules without titles; however, the title of this Rule appears to be completely contrary to Statute. G.S. 115C-284(c) says that provisional licenses shall not be issued to principals, but may be issued to assistant principals. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

What is your authority for a "permit to teach"? Is this an Emergency License pursuant to G.S. 115C-270.20(a)(2)? If so, please change the language of this Rule to be consistent with Statute (but note my concern below regarding necessity if this is an Emergency License.)

In Item (2), what is your authority for a lateral entry license? It appears as though S.L. 2017-189 repealed 115C-296 which previously allowed for lateral entry licenses. Are lateral entry licenses now residency licenses?

If this is an Emergency License, is this Rule necessary? The requirements of this Rule appear to match those for an Emergency License, except that this appears to allow an individual to submit the request as opposed to the LEA, which is required by G.S. 115C-270.20(a)(2).

In (a), for what purposes will an exam be considered comparable? I assume that this is intended to get to G.S. 115C-270.15(a)? Does this Rule go with .0355(b)? If not, perhaps it would be helpful to add some language addressing when this would be applicable and when someone has to provide to you? Here, I assume that you mean something like "Any out-of-state applicant who is licensed in another State shall submit the test scores of a comparable out-of-state licensing examination in accordance with this Rule"? If this Rule does go with .0355(b), please use consistent language between the two rules and/or consider combining the two for purposes of clarity.

Is (b) carving out an exception to (a)(2)? In other words, does the passing score established by the test developer apply unless an out-of-state applicant is seeking an IPL or CPL and their home state uses the same test as NC? Then, the test score set by SBE applies?

In (b), please confirm that the "SBE required exam score" is set forth elsewhere in rule or statute?

(1) The out-of-state licensure exam satisfied one component of the licensure process in that state at the time the exam was taken; and

(2) The out-of-state applicant demonstrates a score on the exam that meets or exceeds the passing score, or range of scores, established by the test developer.

What is the overall intent of this Rule? How does this work? Will it depend upon what kind of license a person has to begin with? If a person with an IPL fails to pass the required exams, does their license turn into a limited license, giving them an additional three years to pass the required examinations? Alternatively, is this Rule saying that if a license expires because a person has failed to pass the required exam, then he or she can "revive" his or her license once they pass? I'm having a hard time with "expire" and "convert." If it's expired", it's unclear to me how it "converts." Please review and clarify this rule.

RULE CITATION: 16 NCAC 06C .0355

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

How does this Rule go with .0349? Would it make sense to combine them?

In (a), what are the required licensure examinations? Is there a cross-reference available?

In (b), by "may", do you mean "shall"? Is there a different way of providing this to you all? Are you using "may" here in case someone doesn't have adequate test scores for NC, then they don't have to give these to you, but do have to take the exam?

How does "meets or exceeds the test developer's recommended cut score" go with .0349(b)? This rule seems to say that it's always the test developer's cut score, but .0349(b) says that the SBE can determine what that score is.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

(a) Out-of-state applicants with fewer than three years of teaching experience seeking an initial professional license (IPL) in Elementary Education (ELED) or Exceptional Children: General Curriculum (ECGC) must take the North Carolina State Board of Education approved licensure examinations.

(b) Out-of-state applicants with fewer than three years of experience seeking an IPL in a teaching area other than ELED or ECGC may submit licensure examination scores for a comparable teaching area from another state for the purpose of meeting SBE testing requirements provided the passing score of the out-of-state examination meets or exceeds the test developer's recommended cut score.

The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In light of G.S. 115C-270.20(a)(5), is this Rule necessary? I'm thinking that the intent here is to provide that the required amount of coursework is 24 hours (as opposed to just "complete coursework" as provided by G.S. 115C-270.20(a)(5).) If that's the case, would it make sense to combine this Rule with .0341?

If this Rule is necessary, I note that "SBE approved content area examination" is worded differently elsewhere. Please be consistent where you can for purposes of clarity.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

Overall, what is your authority for an "International Faculty License"?

Please begin (a)(1) through (4) with lower case letters.

In (a)(2), regionally accredited by whom?

In (a)(3), change "their" to "his or her"

In (a)(3), is this his or her home country? The country in which they received their education? What is meant by "their country"?

In (b), what is the LEA or Charter School requesting? Do you mean that "the applicant may extend" or do you mean that the "SBE shall extend the applicant's license for an additional two years upon request of the employing LEA or Charter School and submitting documentation of an extension of the visa"?

In (c), by "may", do you mean "shall"? Is there ever going to be a circumstance in which the applicant meets the requirements for the specific license and also the work authorization, but you all don't grant the license?

In (d), how will the equivalency be evaluated? What factors are to be used to make this determination?

RULE CITATION: 16 NCAC 06C .0361

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

I assume this Rule is applicable to both educators at low performing schools and those at schools that are not low performing? Please consider making this more clear.

In (a), what is a LEA? Is this not a Local Board of Education? It appears to me that it is the responsibility of the Superintendent to place an educator on a mandatory improvement plan pursuant to G.S. 115C-270.333 and 115C-270.333.1. As such, it looks like this Rule conflicts with statute in who can put an educator on a mandatory improvement plan.

In (a), by "may", do you mean "shall"? I note that based upon (c), the intent appears to be "may", but are there factors that the local authority is to use in making this determination or do they make this call with no additional guidance from the SBE?

In (a), change "their" to "his or her"

What is the difference between a Local Education Agency as referenced in (a) and a local board of education as referenced in (a)(1)? Are these not the same? If they are the same, how is an LEA to place an educator on a mandatory improvement plan if he or she is not employed by them? Also, if they are the same, please use consistent terminology (but note my concern regarding the superintendent.)

In (a)(3), what is "the 5-year renewal cycle"? Is this applicable to CPLs? In other words, reading this all together, a CPL who is not in his or her fifth year, cannot be placed on a mandatory improvement plan unless he or she is "not deemed proficient on their most final summative evaluation"? I assume that these summative evaluations are those required by G.S. 115C-270.333 and 115C-270.333.1? If so, please make this more clear.

In (b) and (c), change "above criteria" to "criteria set forth in Paragraph (a) of this Rule"

In (b), by "may", do you mean "shall"? If you mean "may", what other factors will be used in making the determination, other than he or she meets the requirements for an IPL?

Amber May
Commission Counsel
Date submitted to agency: July 1, 2020

In (b), what are “all other licensure requirements”? Do you mean those set forth in G.S. 115C-270.20(3) and .0347 of this Chapter”? If so, please say that. Also, am I to understand that if a CPL is placed on a mandatory improvement plan, then he or she can get an IPL instead of a CPL?

In (d), by “the provision of this Rule”, do you mean “Paragraph (c) of this Rule? If so, please say that.

In (e), G.S. 115C-270.333 says “90 instructional days or before the beginning of the next school year.” Please revise to be consistent with statute.

In (e), G.S. 115C-270.333.1 says “at least 60 days” for schools not designated as low performing. Please revise to be consistent with statute.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

16 NCAC 06C .0361 is proposed for adoption as follows:

**16 NCAC 06C .0361 REQUIREMENTS FOR AN EDUCATOR TO BE PLACED ON A MANDATORY
IMPROVEMENT PLAN**

(a) An educator may be placed on a mandatory improvement plan by their hiring Local Education Agency (LEA) if they do not meet the following renewal requirements:

(1) The educator is not employed by a local board of education;

(2) The educator does not possess a Continuing Professional License;

(3) The educator is in the final year of the 5-year renewal cycle; or

(4) The educator is not deemed proficient on their most recent final summative evaluation.

(b) An educator who meets the above criteria and who is placed on a mandatory improvement plan may be eligible to receive an Initial Professional License (IPL) provided all other licensure requirements are met.

(c) An educator who meets the above criteria and who is not placed on a mandatory improvement plan shall be deemed to have an “expired” teaching license.

(d) An educator whose license has expired pursuant to the provision in this Rule shall be eligible to apply for an IPL after a 30-day waiting period.

(e) The term of the mandatory improvement plan shall be 90 instructional days for teachers in schools identified as low performing and 60 instructional days for teachers in schools not identified as low performing.

The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), I assume by "the licensure renewal requirements" you mean those set forth in this Rule? If so, please add something like "as set forth in this Rule" at the end of (a).

In (b),(c), and (d), what is the "five-year renewal cycle"? Is this tied to the license or is this cycle set by you all? I see it referenced in G.S. 115C-270.30, so I don't doubt the authority – just trying to understand how it works.

In (b), (c), and (d), please delete the reference to the date. Since this Rule is not effective until after June 30, 2019, this makes it appear as though this Rule is retroactive.

In (c)(3) and (d)(3), what is meant by "which does not include years of teaching experience"? I don't understand this language here.

What is your authority to require renewals for student services personnel? Is it G.S. 115C-270.30(a)?

In (d)(1), what are the "North Carolina standards for their professional discipline"?

What is your authority for (e)? G.S. 115C-270.30 requires 3 credits in a teacher's academic subject area and 3 additional credits related to literacy for elementary education. Does the "National Board for Professional Teaching Standards certification process" meet these requirements? Also, how does this work with the 5 year cycle?

Is (f) necessary since you've allowed the LEA to assign subject matter in (c)(3) and (d)(3)?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

(3) 2 renewal credits addressing the Digital Learning Competencies.

The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. In (a), is this for salary purposes in accordance with G.S. 115C-302.1? If so, please say that.

In (b), what is considered to be "part-time" versus "full-time"? Is this defined somewhere in rule or statute? I see additional information is provided for colleges in (c), but what about for the LEA? Is the 15 hours in (a) intended to be part time?

Please remove the comma following "provided"

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), by "may", do you mean "shall"? It appears that if an educator meets the requirements of this Rule (including (b)), then DPI shall authorize the salary on the master's level. If it is "may", what factors are to be used in making this determination?

Please begin (a)(1) through (3) and (b)(1) and (2) with lower case letters.

In (b), what is your authority to cut off the masters pay with these dates. I know that you have it, I just don't see it listed in your History Note. Is there a Session Law you can cite?

In (b)(2), I assume by "qualified", you mean "met the requirements of Paragraph (a) of this Rule"?

G.S. 115C-270.302.1 requires that the SBE "maintain the same policies related to masters pay for teachers that were in effect for the 2008-2009 fiscal year." Please confirm that this Rule meets that mandate.

Overall, I don't have concerns regarding your authority to charge these fees (assuming that they don't exceed your actual cost to provide the service), but I do have some clarity concerns with some of the wording of this Rule. I don't think that it's clear when an educator would be required to pay. Is this upon application for any of these things? Some of these things may be clear when read in conjunction with the corresponding rule, others I don't think are.

In (a), remove the reference to the past date.

In Item (3), what is your authority for a provisional license? Same question for (31).

In Item (4), when would you "delete license area"? Does this deal with revocation or is this upon request of the licensee?

In Item (5), what is a "work authorization"?

In Item (10), what is "clear validation"? I note that this is also in Item (24).

In Item (11), what is "clear license area"? Same question for (32).

In Item (19), what is "an initial alternative license"? A CTE or JROTC?

In Item (20), what is meant by "validate an expired CPL"?

In Item (21), when would an IPL be extended? G.S. 115C-270.20 says IPLs are nonrenewable. Is an "extension" something different?

In Item (22), what is meant by "recommend initial to CPL"? Recommend to whom and by whom? Same question for (30).

PLEASE NOTE: *This request may extend to several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), is the "any duty to report suspected child abuse" pursuant to G.S. 115C-400? If so, please provide the cross-reference.

In (a), what is "behavior that would justify revocation"? Is it .0372? Please provide the appropriate cross-reference.

In (a), delete or define "promptly." If you delete it, it would just read "... to the Superintendent of Public Instruction no later than five working days after the date of a dismissal..."

Please delete (c).

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

2
3 **16 NCAC 06C .0374 INVESTIGATION REQUIREMENTS TO DETERMINE REASONABLE CAUSE**
4 **TO SUSPEND OR REVOKE AN EDUCATOR LICENSE**

5 (a) Upon the receipt of a written request and substantiating information from any LEA, local superintendent or other
6 person in a position to present information as a basis for the suspension or revocation of a person's license, the

9 (b) If the Superintendent determines that reasonable cause exists to believe that the person's license should be
10 suspended or revoked on one or more of the grounds specified in Rule .0372, the Superintendent shall prepare and file
11 written charges with the SBE.

12 (c) The SBE will review the written charges and determine whether the person's license should be suspended or

14 constitute grounds for suspension or revocation, it shall provide the person with a copy of the written charges, and
15 notify the person that it will revoke the person's license unless the person, within 60 days of receipt of notice, initiates

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

On line 4, by "may", do you mean "shall"? If you mean "may", how will the SBE determine whether they will accept the voluntary surrender in lieu of revocation? What factors will be used? I will note that based upon G.S. 115C-325.9, I do think that "may" is accurate, but please provide the factors that will be used in making this determination.

On line 5, just so I understand when this may occur, is this "in lieu of seeking revocation of the license following an investigation in accordance with Rule .0374 of this Subchapter and G.S. 115C-325.9(a)(3)"?

What is meant by "the SBE shall treat a voluntary surrender the same as a revocation"? What are the practical implications of this language? Is there a cross-reference available for how a revocation is treated?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

4 The State Board of Education (SBE) may accept the voluntary surrender of a license in lieu of seeking revocation of
5 the license. Before it accepts a voluntary surrender, the SBE shall make findings of fact regarding the circumstances
6 surrounding the voluntary surrender to demonstrate that grounds existed under which the SBE could have initiated

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), by "may", you mean "shall"?

Please correct the formatting of (b), (c), and (d). Please indent these, begin them with lower-case letters, and number them as (1), (2), and (3). Unless you add a (b), which you may want to address the "may" question above, you would also need to delete "(a)"

In (b), change the semi-colon after minors to a comma. Also, please add a comma after "moral turpitude."

In (b), what is considered to be "moral turpitude"? I note that crimes of moral turpitude are included in G.S. 115C-325(e)(1). Is that what you meant?

In (c), please provide the cross-reference to show what behaviors "could have resulted in license revocation"

In (b), do you mean G.S. 115C-(e)(1)(b)? This is just immorality. Do you mean the grounds set forth in G.S. 115C-325(e)(1)? If you just mean "immorality", change "grounds" to "ground."

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), by "may" do you mean "shall, upon request" if the requestor shows "extenuating circumstances"? Here, I assume that you mean something like "The SBE shall grant one year extensions of time to satisfy licensure requirements upon a showing of 'extenuating circumstances' for individuals who..." If instead you do mean may, how will it be determined whether to grant the extension? What factors will be used in making this determination?

Also, if you do mean some variation of "upon request" or "upon a showing", who is responsible for this? .0379 appears as though the LEA is responsible for submitting this request on behalf of the educator.

In (a)(2), what is meant by "other licensure requirements"? Is there a cross-reference available?

In (b), please put "extenuating circumstance" in quotations since you are defining the term.

In (b), what is considered to be a "physical disability"?

In (b), delete or define "catastrophic"

In (b), delete or define "immediate" in "immediate family"

In (b), delete "reasonable" in "reasonable control"

In (b), how is this to be demonstrated? Do you require a doctor's note? Is this addressed by .0379? If so, please provide that cross-reference.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), line 6, capitalize "state"

In (a), what "licensure requirements"?

In (a)(4), would medical records as required by Paragraph (b) not be protected by HIPAA or something of the like?

In (c)(2), delete or define "sufficient"

Add "and" at the end of (d)(10).

The formatting of this Rule is off. I believe that the intent is that an application has to include a document signed by the individual, copies of medical records, a document signed by the principal, a document signed by the superintendent, and also a document signed by the local board chair, but that's not clear based on the formatting of this rule. Do you mean something like the following:

~~(a)~~ A Local Education Agency (LEA) may apply to the State Board of Education for a one-year extension of time to satisfy ~~state~~ State licensure requirements for an individual who, due to extenuating circumstances, has not completed the course work required to maintain a license. The application for this extenuating circumstance ~~must include the following:~~ shall include the documentation set forth in this Rule.

REQUEST FOR TECHNICAL CHANGE

AGENCY: State Board of Education

RULE CITATION: 16 NCAC 06C .0380

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Please note that when we read rules, we do so without the titles as those can be changed without going through the rulemaking process set forth in the APA. As such, please make it clear within the body of the text of the rule when and to whom something applies.

Panel's recommendation for what? Who is the panel? I assume that this is with regard to the extension.

Overall, what is the process for this extension? A local board requests on behalf of an educator, then a panel (maybe of the SBE) gets it? Then they make a recommendation to the entire Board who makes the final decision? Overall, I do not think that the process is clear.

On line 5, how will they make the decision? What factors will be used?

Overall, what is the process for this request for extension?

On line 6, what is meant by "unless otherwise prohibited by state or federal law"? What could this be?

On line 6, capitalize "state", assuming you mean the State of NC.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

REQUEST FOR TECHNICAL CHANGE

AGENCY: State Board of Education

RULE CITATION: 16 NCAC 06C .0381

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), what is to be included in the Plan? Are there any specific requirements other than the process for identifying and verifying beginning teachers? Would it be helpful to provide a cross-reference to .0383?

In (a), what factors is DPI to use in determining whether to approve these plans?

On line 6, what is considered to be "full-time"?

In (d), just to be clear, the beginning teacher is assigned to a BTSP by his or her principal in accordance with G.S. 115C-300.1"?

In (e), how is the public school unit to submit this data? Is there a required form? Also, G.S. 115C-12(22) appears to specifically give this responsibility to the SBE. Just to confirm that I understand, this Rule is simply saying for public school units to provide the information to DPI, but you all actually compile this report?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

16 NCAC 06C .0381 is proposed for adoption as follows:

16 NCAC 06C .0381 BEGINNING TEACHER SUPPORT PROGRAM REQUIREMENTS

(a) All public school units must have a Beginning Teacher Support Program (BTSP) and a Beginning Teacher Support Program Plan (BTSP Plan) that has been approved by the public school unit and by NCDPI. All beginning teachers who are pursuing a continuing professional license must participate in a BTSP for three years. For the purposes of this Rule, a “year” is defined as working in a full-time permanent position for six or more calendar months during a North Carolina fiscal year. BTSP Plans shall include a documented process for identifying and verifying all beginning teachers.

(b) Student services personnel, administrators, and curriculum-instructional specialists are not required to participate in the BTSP.

(c) A beginning teacher with an initial license who converts to a continuing license must complete three years of teaching and a Beginning Teacher Support Program prior to conversion. Once a teacher has earned a continuing license in one licensure area, an additional participation in a BTSP is not required.

(d) Beginning teachers must be assigned to a BTSP in their area of licensure.

(e) Public school units must collect and submit data on the reasons why teachers leave the teaching profession and on vacancies in teaching positions to NCDPI for the State of the Teaching Profession in North Carolina Report.

History Note: Authority G.S. 115C-12; 115C-268.1; 115C-268.5; 115C-270.5; 115C-300.1;

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In Item (1), what is meant by “close proximity”? Please provide some clarifying information. I note that G.S. 115C-300.1 allows for teachers to be mentored by a mentor in a different building if certain criteria are met. Please ensure that “close proximity” complies with this provision.

Please end Item (2) with a semi-colon, rather than a period.

In Item (2), what is meant by “limit non-instructional duties”? I note that G.S. 115C-300.1 says beginning teachers shall not be assigned extracurricular activities unless they are specifically requested and other noninstructional duties are minimized. So, in light of this language, is Item (2) necessary? This is also a concern for Item (4).

In Item (3), what is “a limited number” and what are “exceptional students”?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

In (c), how does this go with G.S. 115C-300.1(c)? Is the intent here to say use this evaluation data to ensure that a mentor is rated at least “proficient” for purposes of G.S. 115C-300.1(c)?

RULE CITATION: 16 NCAC 06C .0392

DEADLINE FOR RECEIPT: Friday, July 10, 2020

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

On line 5, should "academic" be capitalized?

On line 6, I don't understand the cross-reference to .0390. This does not provide an exemption. Do you mean .0391?

On line 9, what is meant by "and approved by the SBE"? Is this really an approval process or does the SBE just adopt what is set by the test vendor? If it is an approval process, please provide the factors that the SBE will use in determining whether to accept a score.

Overall, please consider breaking this Rule into paragraphs for clarity purposes. A suggestion would be something like the following:

- (a) For purposes of G.S. 115C-269.15, the preprofessional skills test shall be the Praxis Core academic Skills Educators Assessment.
- (b) Each student seeking admission to an Educator Preparation Program shall pass the Praxis Core Academic Skills Educators Assessment unless an exemption is permitted under G.S. 115C-269.15 or Rule .0391 of this Subchapter.
- (c) Passing scores for the Praxis assessment are established by the test vendor.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In Item (1), what is meant by "an officially called meeting"? Is there a cross-reference available?

In Item (2), would is meant by "permitted by law" and "as provided by law"?

In Item (3), do you need "an indication of"?

In Item (3), what general statute?

In Item (3), change "will" to "shall"

Please begin (4)(a) through (c) with lower case letters; end (4)(a) through (b) with semi-colons; and add an "and" after the semi-colon in (4)(a). Please do the same for (5) and (6).

In Item (5), what are the "laws of the State of North Carolina"

In (5)(c), please add "Rules of" before "the North Carolina..."

In Item (7), please add a comma after "earned leave"

In Item (13), what other laws may affect the contract?

Is the intent for Item (14) to be a part of contract? I'm guessing not, but as written, it must be. Would it make sense to make this a Paragraph (b)? This would change the numbering of the entire rule.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.
