Subject: RRC Review - Technical Changes for 15A NCAC 02B .0100 - .0300.

Dear Ms. May,

We are kindly asking to extend the period of review for 15A NCAC 02B .0100 -.0300 in order for staff to continue addressing the Requests for Technical Changes. We are making great progress - but, feel that additional time would be beneficial to assure that we are thoughtful and careful in our review.

Thanks so much. Please let us know if you need additional information with respect to this request.

Connie
