G.S. 66-58.5(a)(1). This rule is intended to meet this requirement. At present, all treasurers and other filers are required to provide an original wet ink signature for campaign finance reports and certifications, even those that file reports electronically. The agency is seeking to incorporate electronic signatures in future campaign finance software. This will significantly reduce the amount of paperwork that must be processed by agency staff. Stakeholders continue to encourage the agency to do more to expand and improve electronic filing.</p>
