9B. Explain: Pursuant to GS 150B-21.3A, Periodic Review and Expiration of Existing Rules, all rules are reviewed at least every 10 years, or they shall expire. As a result of the periodic review of subchapter 10A NCAC 14G, Exemptions from Prohibitions of Self-Referrals by Health Care Providers for Underserved Areas, these rules were determined as "Necessary With Substantive Public Interest," requiring readoption. The requirements needed to apply for the exemption are being consolidated into rule 10A NCAC 14G .0102 through readoption. Therefore, Rules 10A NCAC 14G .0101, .0103, and .0104 are redundant and are being readopted as a repeal because these rules are not necessary for the Agency.

9B. Explain: G.S. 150B-21.3A requires state agencies to review existing rules every 10 years. 15A NCAC 02B .0299 will be readopted with amendments and transferred and recodified to 15A NCAC 02B .0733. Amendments to this rule broadens the coverage of new and expanding dischargers beyond non-Association dischargers to include members of the Tar-Pamlico Basin Association. These amendments provide a clear regulatory pathway for all dischargers in the basin to use allocation and nutrient offsets while updating the offset process to tie into the .0703 Nutrient Offset Rule. Amendments were also made to update treatment standards based on more recent best available technology.

9B. Explain: G.S. 150B-21.3A requires state agencies to review existing rules every 10 years. 15A NCAC 02B .0235 will be readopted with amendments and transferred and recodified to 15A NCAC 02B .0711. Amendments to this rule include adding 15 local governments to the rule in addition to replacing offsite treatment thresholds with minimum onsite treatment matching requiring at least 1 stormwater control measure for projects with greater than 24% built upon area. Amendments also allow the use of regional stormwater control measures, use of offsets for local government linear road project expansions, and provide an exemption for single family residential development with a built upon area of 5% or less.
