Subject: Withdraw of 15A NCAC 02D .0615

Dear Ms. Snyder,

We are kindly requesting the RRC withdraw 15A NCAC 02D .0615 from review at its October 17, 2019 meeting. It was determined that the delegation authority of the Director is not needed by the Environmental Protection Agency as part of our State Implementation Plan. Our plan is to include this rule in our next set of rules to be readopted (Group 6 rules) and repeal the rule during that rulemaking.

Thanks,

Patrick
