Re: Objection to Rules 10A NCAC 22F .0301 and 22J .0106

Dear Ms. Niehaus:

At its meeting on June 14, 2018, the Rules Review Commission objected to 10A NCAC 22F .0104, .0301, .0302, .0602, .0603, .0604, and 22J .0105 and .0106 in accordance with G.S. 150B-21.10. At its meeting on August 16, 2018, the Rules Review Commission reviewed rewritten rules submitted by the Division in response to the June 14, 2018 objections. At that time, the Rules Review Commission objected to 10A NCAC 22F .0301 on the basis of ambiguity and continued their objection to 10A NCAC 22J .0106, finding that the rewritten rule had not met their objection. They approved all other rules.

Please respond to this letter in accordance with the provisions of G.S. 150B-21.12. If you have any questions regarding the Commission's actions, please feel free to contact me.

Sincerely,

Amber May

2
3 **10A NCAC 22J .0106 PROVIDER BILLING OF PATIENTS WHO ARE MEDICAID RECIPIENTS**

4 (a) A provider may refuse to accept a patient as a Medicaid patient and bill the patient as a private pay patient only if
5 the provider informs the patient that the provider will not bill Medicaid for any services or supplies but will charge
6 the patient for all services or supplies provided. If a provider refuses to accept a patient as a Medicaid patient, the
7 provider shall inform the patient before providing any services or supplies, except when it would delay provision of
8 an appropriate medical screening, medical examination, or treatment as required by 42 U.S.C. 1395dd.

9 (b) A provider will be deemed to have accepted ~~Acceptance of~~ a patient as a Medicaid patient ~~by a provider if the~~
10 provider files a Medicaid claim for services or supplies provided to the patient. Verification of eligibility alone shall
11 not be deemed acceptance of a patient as a Medicaid patient. ~~includes, but is not limited to, entering the patient's~~
12 ~~Medicaid number or card into any sort of patient record or general record keeping system, obtaining other proof of~~
13 ~~Medicaid eligibility, or filing a Medicaid claim for services provided to a patient.~~ A patient, or a patient's
14 representative, must request acceptance as a Medicaid patient by:

- 15 (1) presenting the patient's Medicaid card or presenting a Medicaid number either orally or in writing;

19 eligibility.

20 (c) Providers may bill a patient accepted as a Medicaid patient only in the following situations:

- 21 (1) for allowable deductibles, co-insurance, or co-payments as specified in the Medicaid State Plan;
22 ~~10A NCAC 22C .0102; or~~
23 (2) before the service or supply is provided, provided the provider has informed the patient that the
24 patient may be billed for a service or supply that is not one covered by Medicaid regardless of the
25 type of provider or is beyond the limits of Medicaid coverage on Medicaid services as specified in
26 the Medicaid State Plan or applicable clinical coverage policy promulgated pursuant to G.S. 108A-
27 54.2(b); under 10A NCAC 22B, 10A NCAC 22C, and 10A NCAC 22D; or
28 (3) the patient is 65 years of age or older and is enrolled in the Medicare program at the time services
29 or supplies are received but has failed to supply a Medicare number as proof of coverage; or
30 (4) the patient is no longer eligible for Medicaid as defined in the Medicaid State Plan. ~~10A NCAC~~
31 ~~24B.~~

32 (d) When a provider files a Medicaid claim for services or supplies provided to a Medicaid patient, the provider shall
33 not bill the Medicaid patient for Medicaid services or supplies for which it receives no reimbursement from Medicaid
34 when:

- 35 (1) the provider failed to follow program regulations; ~~or~~
36 (2) the Division ~~agency~~ denied the claim on the basis of a lack of medical necessity; or

1 (3) the provider is attempting to bill the Medicaid patient beyond the situations stated in Paragraph (c)
2 of this Rule.

3 (e) A provider who accepts a patient as a Medicaid patient shall agree to accept Medicaid ~~payment~~, ~~payment~~ plus any
4 authorized deductible, co-insurance, ~~co-payment~~, ~~co-payment~~ and third party payment as payment in full for all
5 Medicaid covered services **or supplies** provided, except that a provider ~~shall~~ ~~may~~ not deny services **or supplies** to any
6 Medicaid patient on account of the individual's inability to pay a deductible, ~~co-insurance~~, ~~co-insurance~~ or co-payment
7 amount as specified in the Medicaid State Plan. ~~10A NCAC 22C .0102~~. An individual's inability to pay shall not
8 eliminate his or her liability for the cost sharing charge. Notwithstanding anything contained in this Paragraph, a
9 provider may ~~actively~~ pursue recovery of third party funds that are primary to Medicaid.

10 (f) When a provider accepts a private patient, bills the private patient personally for Medicaid services **or supplies**
11 covered under Medicaid for Medicaid recipients, and the patient is later found to be retroactively eligible for Medicaid,
12 the provider may file for reimbursement with Medicaid. Upon receipt of Medicaid reimbursement, the provider shall

REQUEST FOR TECHNICAL CHANGE

AGENCY: DHHS – Division of Medical Assistance

RULE CITATION: 10A NCAC 22F .0301

DEADLINE FOR RECEIPT: Friday, June 8, 2018

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

I realize that you all deleted “provider abuse” because that is not what is defined by 42 CFR 455.2, but please make it clear within the body of the text of the rule that this is referring to provider abuse.

It looks like in your investigations rules, you have removed “overutilization”; however, you have kept it in (1). Was this intentional?

In (1), what is considered “overutilization”? I assume that this is set forth elsewhere in rule, statute, or the Plan?

Please change the comma at the end of (2)(a) to a semi-colon.

In (3), who is an “unauthorized” person? Is this set forth in the contract between the provider?

(4) appears to be missing a lead in to the sub-items. Should there be an “including” or something of the like at the end?

Please end (4)(a) and (b) with semi-colons, rather than commas.

In (4)(a), please delete or define “proper”

In (4)(b), please delete or define “appropriate”

In (4)(c), please delete or define “medically necessary”

In (5), what are the requirements of certification? Are these set forth elsewhere?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.
