Re: Objection to Rules 21 NCAC 17 .0101 and .0303

Dear Ms. Burill:

At its meeting yesterday, the Rules Review Commission objected to the above-captioned rules in accordance with G.S. 150B-21.10.

The Commission objected to Rule 21 NCAC 17 .0101 for lack of statutory authority. Specifically, the Commission found that the agency lacks statutory authority to narrow the terms to solely "medical nutrition therapy" in Subparagraphs (a)(2) and (3). Further, the Commission noted that Paragraph (b) contains both acronyms and initialisms.

The Commission objected to Rule 21 NCAC 17 .0303 for lack of statutory authority. The Commission found that the agency lacks authority to contradict G.S. 90-368(2), which allows for supervision by those meeting the criteria in G.S. 90-357.5(a)(1)b and (c)(2).

Please respond to this letter in accordance with the provisions of G.S. 150B-21.12. If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Amanda J. Reeder

REQUEST FOR TECHNICAL CHANGE

AGENCY: Board of Dietetics/Nutrition

RULE CITATION: 21 NCAC 17 .0101

DEADLINE FOR RECEIPT: Friday, July 12, 2019

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a)(1), line 6, consider adding a citation, so it reads: "Act" means Dietetics/Nutrition Act in G.S. 90, Article 25." If you do so, you can replace the citation in (a)(3), line 14 with "the Act."

In (a)(3), line 10, are the contents of these forms addressed by other rules or law, as addressed in G.S. 150B-2(8a)(d)?

In (a)(4), lines 18 and 19, I take it the Rule uses the terms "regionally accredited" and "validated" to conform with the language in G.S. 90-375.1?

In (7)(b), line 31, insert an "or" after "ordering"

In (b), Page 2, line 23, to be consistent with (a), please insert a "shall" before "mean:"

In (b)(1) through (9), so that I'm clear – the Board is purposely not using quotation marks?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

Amanda J. Reeder
Commission Counsel

DEADLINE FOR RECEIPT: Friday, July 12, 2019

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (1), line 20, I take it you mean the term "nutrition care services" as defined in G.S. 90-352?

In (4), line 27, what are the "acts and functions" you are referring to? I note that Item (2) requires only availability for nutrition care activities. Is what is addressed in (4) different from that?

In (5), line 31, I note that G.S. 90-375.5 refers to different categories of opportunity to practice in this State, including "certification" and "Diplomat of the American Clinical Board." Do you mean the term "licensed" as used in G.S. 93B-1?

§ 93B-1. Definitions.

As used in this Chapter:

"License" means any license (other than a privilege license), certificate, or other evidence of qualification which an individual is required to obtain before he may engage in or represent himself to be a member of a particular profession or occupation.

"Occupational licensing board" means any board, committee, commission, or other agency in North Carolina which is established for the primary purpose of regulating the entry of persons into, and/or the conduct of persons within, a particular profession or occupation, and which is authorized to issue licenses; "occupational licensing board" does not include State agencies, staffed by full-time State employees, which as a part of their regular functions may issue licenses. (1957, c. 1377, s. 1.)

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

21 NCAC 17 .0303 is readopted as published in 33:20 NCR 2049-2056 as follows:

21 NCAC 17 .0303 SUPERVISION

~~(a) A planned, continuous program in clinical practice pursuant to G.S. 90-357(3)b.2. shall designate a licensed dietitian/nutritionist who shall supervise a student or trainee; and~~

~~(1) shall meet the qualifications of the current standards of education as referenced in the most current edition of the "Eligibility Requirements and Accreditation Standards for Dietetic Internship Programs (DI)" which is hereby incorporated by reference including any subsequent amendments and editions of the referenced material. Copies of this manual are available at no charge through the ADA's website at: <http://www.eatright.org/CADE/content.aspx?id=57>; and~~

~~(2) shall meet his/her employment qualifications of the sponsoring institution, if any.~~

~~(b) In accordance with the current standards of education referenced in this Rule, a Program Director shall:~~

~~(1) provide student/trainee advisement, evaluation, counseling and supervision;~~

~~(2) provide academic or supervised practice program assessment, planning, implementation and evaluation;~~

~~(3) inform student(s)/trainee(s) of laws, regulations and standards affecting the practice of dietetics/nutrition, including the Dietetics/Nutrition Practice Act and its Rules; and~~

~~(4) advise student(s)/trainee(s) on meeting the requirements to be licensed to practice dietetics/nutrition.~~

For purposes of G.S. 90-368(2), "direct supervision" means the supervising practitioner:

(1) discusses and recommends, with the student or trainee, nutrition care services undertaken by the student or trainee, which are appropriate to the level of nutrition care;

(2) is available for consultation on nutrition care activities being performed by the student or trainee, either through on-site or through electronic communication;

(3) shall be available to render assistance when requested by the student or trainee or the patient or client, or shall have arranged for another practitioner to be available in the absence of the supervising practitioner;

(4) personally observes, evaluates, and approves the acts or functions of the student or trainee supervised; and

(5) shall maintain responsibility for the nutrition care activities performed by the student or trainee. For patients or clients receiving medical nutrition therapy in NC, the supervising practitioner shall be licensed in the State to provide the medical nutrition therapy he or she is supervising. For patients or clients outside of NC, the supervising practitioner shall be lawfully allowed to provide the nutrition care activities in the state where the patients or clients are located.
