Good morning Brian,

Thank you for your email and suggested changes. Please review the attached and let me know if this will work for 12 NCAC 10B .0301.

As for 12 NCAC 10B .0704, the Commission would like to withdraw this proposed temporary rule from consideration. Instead, we will move forward with the permanent rule making process. I am available this morning if you would like to discuss.

Again, thank you-
Diane
