Chapter 150B requires that agencies with rulemaking authority adopt rules regarding the public's right to petition the agency to adopt rules. The first proposed rule aims to put the public on notice as to how they can communicate a proposed rule to the NC Department of Information Technology (NC DIT) Chapter 116E provides that the NC Government Data Analytics Center (GDAC) within NC DIT is charged with specific oversight and operation of the ELDS, and requires that rules be adopted to implement the Article. GDAC's primary purpose for pursuing rulemaking is to meet the statutory requirement found in Chapter 116E and to ensure that the agencies and institutions that exchange data for the purposes listed in the Chapter are doing so under the same rules and legal framework.

Rule .0565 is amended to add general application requirements and a closure plan, and to update the wording to be consistent with the wording for application requirements in rules for other solid waste management facilities revised during the readoption process. The amendments put into rule what is required in practice for permit approval under existing rule. In response to comments, a reference was added to the seasonal high groundwater table definition in Rule .0532.
