Pursuant to S.L. 2013-294, 28 rules adopted by the Industrial Commission in 2012 were disapproved by the General Assembly. The session law also contained directives and authority to amend and readopt the disapproved rules, as well as adopt new rules to replace former Minutes of the Industrial Commission, where necessary. Section 11 of S.L. 2013-294 states that the Industrial Commission “shall adopt permanent rules in accordance with the provisions of this act using the procedure and time lines for temporary rules set forth in G.S. 150B-21.1(a3).” It further states, “Rules adopted pursuant to this section shall not be subject to G.S. 150B-19.1(h) or G.S. 150B-21.4.” The Industrial Commission was ordered by the session law to “consult with the Office of Administrative Hearings to ensure rules adopted in accordance with this section are submitted to the Rules Review Commission in time to be eligible for legislative disapproval in the 2014 Regular Session of the 2013 General Assembly;” as such, the Industrial Commission was required to submit each rule to the Rules Review Commission before its April 17, 2014 meeting.

Pursuant to S.L. 2013-294, 28 rules adopted by the Industrial Commission in 2012 were disapproved by the General Assembly. The session law also contained directives and authority to amend and readopt the disapproved rules, as well as adopt new rules to replace former Minutes of the Industrial Commission, where necessary. Section 11 of S.L. 2013-294 states that the Industrial Commission “shall adopt permanent rules in accordance with the provisions of this act using the procedure and time lines for temporary rules set forth in G.S. 150B-21.1(a3).” It further states, “Rules adopted pursuant to this section shall not be subject to G.S. 150B-19.1(h) or G.S. 150B-21.4.” The Industrial Commission was ordered by the session law to “consult with the Office of Administrative Hearings to ensure rules adopted in accordance with this section are submitted to the Rules Review Commission in time to be eligible for legislative disapproval in the 2014 Regular Session of the 2013 General Assembly;” as such, the Industrial Commission was required to submit each rule to the Rules Review Commission before its April 17, 2014 meeting.

Pursuant to S.L. 2013-294, 28 rules adopted by the Industrial Commission in 2012 were disapproved by the General Assembly. The session law also contained directives and authority to amend and readopt the disapproved rules, as well as adopt new rules to replace former Minutes of the Industrial Commission, where necessary. Section 11 of S.L. 2013-294 states that the Industrial Commission “shall adopt permanent rules in accordance with the provisions of this act using the procedure and time lines for temporary rules set forth in G.S. 150B-21.1(a3).” It further states, “Rules adopted pursuant to this section shall not be subject to G.S. 150B-19.1(h) or G.S. 150B-21.4.” The Industrial Commission was ordered by the session law to “consult with the Office of Administrative Hearings to ensure rules adopted in accordance with this section are submitted to the Rules Review Commission in time to be eligible for legislative disapproval in the 2014 Regular Session of the 2013 General Assembly;” as such, the Industrial Commission was required to submit each rule to the Rules Review Commission before its April 17, 2014 meeting.

Pursuant to S.L. 2013-294, 28 rules adopted by the Industrial Commission in 2012 were disapproved by the General Assembly. The session law also contained directives and authority to amend and readopt the disapproved rules, as well as adopt new rules to replace former Minutes of the Industrial Commission, where necessary. Section 11 of S.L. 2013-294 states that the Industrial Commission “shall adopt permanent rules in accordance with the provisions of this act using the procedure and time lines for temporary rules set forth in G.S. 150B-21.1(a3).” It further states, “Rules adopted pursuant to this section shall not be subject to G.S. 150B-19.1(h) or G.S. 150B-21.4.” The Industrial Commission was ordered by the session law to “consult with the Office of Administrative Hearings to ensure rules adopted in accordance with this section are submitted to the Rules Review Commission in time to be eligible for legislative disapproval in the 2014 Regular Session of the 2013 General Assembly;” as such, the Industrial Commission was required to submit each rule to the Rules Review Commission before its April 17, 2014 meeting.
