9B. Explain:

This permanent rule amendment is being proposed to replace the temporary rule increasing admission fees at the Aquariums and Pier. The temporary rule was approved by the Rules Review Commission on February 20, 2014.

The purpose of this amendment is to increase admission fees to the North Carolina Aquariums and Jennette's Pier to offset the loss of appropriated funds resulting from Session Law 2013-360, effective July 27, 2013, and increased costs associated with transition of temporary employees to permanent status in response to the pending implementation of the Affordable Care Act.
