Subject: Landscape Architects additional technical changes

Good afternoon,

I indicated after the January 2015 RRC meeting that I would compile a list of remaining issues. A review of the rules indicates the following:

21 NCAC 26 .0101

Revised this Rule to include the agency's website.

21 NCAC 26 .0301

Page 1, line 14, replace "Board" with "Board's"

Page 1, lines 14 and 15, add "initial individual" between "Board's application"

Page 2, lines 6 and 7, revise as follows:

In submitting an ~~[application]~~ initial individual application to the Board for registration, a licensed landscape architect shall certify that the applicant has completed the number of hours ~~[indicated on the application form.]~~ required by this Rule.

21 NCAC 26 .0303

Lines 6 and 7, please identify by name the form used and the appropriate box to check.

Statutory authority refers to either comity or reciprocity. It is confusing when this Rule exclusively refers to "comity" but the form refers exclusively to "reciprocity." The amendment deleted "reciprocity," so is there an intent to change the form that would clarify this Rule?

21 NCAC 26 .0307

Line 34, add "individual" before "application"

Page 2, line 3, where will this information be located? Should the "may" be a "shall"? Otherwise, this statement seems unnecessary for rulemaking and should be added at a future date when the requirements are actually determined and the Board is ready to set the requirements.

21 NCAC 26 .0310

Line 6, please identify by name the form used to make the "upon application"

21 NCAC 26 .0311

Lines 5 thru 6, 9 thru 10, and 14, please identify by name the form used to submit the requested information.

21 NCAC 26 .0313

Lines 6 and 15, is there any corresponding form to identify? What documents are specifically requested in the portal? Is the required documentation set forth in another rule or statute? Please add to this Rule anything

specifically required that differs from the initial individual application requirements set forth in 21 NCAC 26 .0301.

21 NCAC 26 .0314

Lines 6 and 7, please identify by name the forms used for this Rule.

Please let me know if you have any questions or concerns.

Thank you,
Abby

Subject: Status of Landscape Architect rules
Date: Wednesday, January 14, 2015 12:24:00 PM

Good afternoon,

I have reviewed the documents submitted Monday afternoon. Please note that we can't seem to find an email containing the electronic versions of these rules. **Please send the rules to oah.rules@oah.nc.gov as soon as possible**, so that we may compile the documents for the meeting tomorrow. As it stands now, I am recommending approval of the following 10 rules:

21 NCAC 26 .0101, .0103, .0105, .0106, .0107, .0201, .0309, .0312, .0315, .0510

There are eight outstanding rules with staff opinions, in which I have reviewed the alternative language, but there remains the concerns that even within the portal, the required information is not set forth in a rule or statute. Therefore, I will not be withdrawing the staff opinions and allow the Commission to addresses this issue. The rules with staff opinions are the following eight rules:

21 NCAC 26 .0301, .0303, .0307, .0308, .0310, .0311, .0313, .0314

Finally, please confirm that 21 NCAC 26 .0105 was subjected to the consultation required by G.S. 12-3.1. The form indicates that no consult was conducted, but a fee is increased. If no consultation was conducted, please confirm, as G.S. 150B-21.3 will require this Rule to be held out of the Administrative Code until there is compliance with G.S. 12-3.1. If a consultation was conducted, please submit a revised form by tomorrow.

Thank you for attention to these issues. Please let me know if there are any remaining questions or concerns.

Sincerely,
Abby Hammond

REQUEST FOR TECHNICAL CHANGE

RULE CITATION: 21 NCAC 26 .0105

DEADLINE FOR RECEIPT: Friday, January 9, 2015

NOTE WELL: *This request when viewed on computer extends several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made. Approval of any rule is contingent upon making technical changes as set forth in G.S. 150B-21.10.

Original request set forth in November 26, 2014 technical change request:

Lines 5 through 6, what are the current costs of the examination and how are they known by the regulated public? Please clarify.

Request pursuant to technical changes reflected on December 15, 2014 version of this Rule:

The language adopted by the Board of Landscape Architects contains language on lines 5 through 7 regarding the payment of examination fees. G.S. 89A-6 states the following:

In all instances where the Board uses the services of a testing service for preparation, administration, or grading of examinations, the Board may charge the applicant the actual cost of the examination services, in addition to its other fees. **Fees shall be paid to the Board at the times specified by the Board.**

In response to a technical change request prior to the Rules Review Commission's meeting in December of 2014, the rule was changed to strike all of this language. G.S. 89A-6 provides that the Board may assess costs for administration of the examination against the application. However, G.S. 89A-6 does require the Board to specify the time of payment. By striking all language in lines 5 through 7, this Rule is unclear and ambiguous as to when the payment is due to the Board pertaining to costs for administration of the examination.

Pursuant to 26 NCAC 05 .0101(5)(e), the following change is recommended to avoid the issuance of a staff opinion:

“(b) Examination fees shall be paid prior to the examination and in accordance with G.S. 89A-6.”

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

21 NCAC 26 .0105 is proposed for amendment as published in 28:24 NCR 3034-3035 as follows:

21 NCAC 26 .0105 FEES

(a) ~~Application fees~~ The fee for any license application shall be one hundred dollars (\$100.00).

(b) Examination fees shall be equal to the current cost of examinations incurred by the Board, plus administrative costs, and shall be paid prior to the examination.

(c) Fees for portions of examinations will be based on the actual charges to the ~~board~~ Board for procuring, administering and grading the portion of the exam. The fees shall be paid prior to the examination.

(d) The fee for a license by ~~reciprocity~~ comity shall be one hundred fifty dollars (\$150.00).

(e) The fee for a corporate certificate of registration shall be two hundred dollars (\$200.00).

(f) The fee for the annual renewal of any certificate of registration of any person, firm or corporation shall be one hundred dollars (\$100.00).

(g) Annual renewal fees received after ~~July 1~~ July 1st of each year shall be subject to a ~~one-time late payment penalty~~ late fee of fifty dollars (\$50.00). Lapse of license renewal in excess of one year shall require an application reinstatement and an application fee of one hundred dollars (\$100.00).

(h) The fee for re-issue of a lost or damaged certificate ~~or permit is ten dollars (\$10.00).~~ shall be twenty-five dollars (\$25.00).

RECOMMENDED ACTION:

- ☐ Approve, but note staff's comment
- ☒ Object, based on:
 - ☐ Lack of statutory authority
 - ☒ Unclear or ambiguous
 - ☐ Unnecessary
 - ☒ Failure to comply with the APA
 - ☐ Extend the period of review

COMMENT:

Page 2, line 7 references a “form” that must be certified by the landscape architect to show hours completed. The location and content of the form are not contained within this Rule or the governing statute. G.S. 150B-2 defines “rule” and “form” as follows:

- (8a) "Rule" means any agency regulation, standard, or statement of general applicability that implements or interprets an enactment of the General Assembly or Congress or a regulation adopted by a federal agency or that describes the procedure or practice requirements of an agency. The term includes the establishment of a fee and the amendment or repeal of a prior rule. The term does not include the following:
- ...
- d. A form, the contents or substantive requirements of which are prescribed by rule or statute.
- ...

The “form” appears to be the “NCBLA Individual Application” found on the [“Forms” section of the website](#). Both are attached to this Staff Opinion for your review.

Summary:

As written, this Rule is referencing a form that is outside the process of rulemaking and is not implementing a process prescribed by rule or statute. It is staff's recommendation to object to this Rule for being unclear and ambiguous by referencing a form that is not identified by name and providing no information on how to obtain this form. Furthermore, it is staff's recommendation to object to this Rule for failure to comply with the Administrative Procedure Act by using a form that is not prescribed by rule or statute.

RRC STAFF OPINION

THE AGENCY AND MEMBERS OF THE PUBLIC ARE INVITED TO SUBMIT THEIR OWN COMMENTS AND RECOMMENDATIONS (ACCORDING TO RRC RULES) TO THE COMMISSION.

AGENCY: Board of Landscape Architects

RULE CITATION: 21 NCAC 26 .0303

RECOMMENDED ACTION:

- ☐ Approve, but note staff's comment
- ☒ Object, based on:
 - ☐ Lack of statutory authority
 - ☒ Unclear or ambiguous
 - ☐ Unnecessary
 - ☒ Failure to comply with the APA
 - ☐ Extend the period of review

COMMENT:

Line 7 references a “form” that must be completed by the landscape architect to apply for license by comity. The location and content of the form are not contained within this Rule or the governing statute. G.S. 150B-2 defines “rule” and “form” as follows:

- (8a) "Rule" means any agency regulation, standard, or statement of general applicability that implements or interprets an enactment of the General Assembly or Congress or a regulation adopted by a federal agency or that describes the procedure or practice requirements of an agency. The term includes the establishment of a fee and the amendment or repeal of a prior rule. The term does not include the following:
- ...
- d. A form, the contents or substantive requirements of which are prescribed by rule or statute.
- ...

The “form” appears to be the “NCBLA Individual Application” found on the [“Forms” section of the website](#). Both are attached to this Staff Opinion for your review.

Summary:

As written, this Rule is referencing a form that is outside the process of rulemaking and is not implementing a process prescribed by rule or statute. It is staff's recommendation to object to this Rule for being unclear and ambiguous by referencing a form that is not identified by name and providing no information on how to obtain this form. Furthermore, it is staff's recommendation to object to this Rule for failure to comply with the Administrative Procedure Act by using a form that is not prescribed by rule or statute.

AGENCY: Board of Landscape Architects

RULE CITATION: 21 NCAC 26 .0307

RECOMMENDED ACTION:

- ☐ Approve, but note staff's comment
- ☒ Object, based on:
 - ☐ Lack of statutory authority
 - ☒ Unclear or ambiguous
 - ☒ Unnecessary
 - ☒ Failure to comply with the APA
 - ☐ Extend the period of review

COMMENT:

Line 34 references an “application for license renewal.” The location and content of the form are not contained within this Rule or the governing statute. G.S. 150B-2 defines “rule” and “form” as follows:

- (8a) "Rule" means any agency regulation, standard, or statement of general applicability that implements or interprets an enactment of the General Assembly or Congress or a regulation adopted by a federal agency or that describes the procedure or practice requirements of an agency. The term includes the establishment of a fee and the amendment or repeal of a prior rule. The term does not include the following:
- ...
- d. A form, the contents or substantive requirements of which are prescribed by rule or statute.
- ...

The “application for license renewal” does not appear on the [“Forms” section of the website](#). A copy of the website is attached to this Staff Opinion for your review.

Line 3 on page 2, the sentence references some future mandatory continuing education topics. No additional information is stated and no timeline for establishment is set forth in this Rule. Staff has attached to this Staff Opinion for your review information about current continuing education guidance from the ["Forms" section of the website](#).

Summary:

As written, this Rule is referencing an application or form that is outside the process of rulemaking and is not implementing a process prescribed by rule or statute. It is staff's recommendation to object to this Rule for being unclear and ambiguous by referencing an application or form that is not identified by name and providing no information on how to obtain this form. Furthermore, it is staff's recommendation to object to this Rule for failure to comply with the Administrative Procedure Act by using an application or form that is not prescribed by rule or statute.

Staff also recommends that the reference to some future establishment of mandatory continuing education topics is unnecessary language, as this language does not implement or describe the procedure or practice for the mandatory continuing education topics and is merely an aspiration statement of some future action.

The licensee shall be required to successfully complete ten (10) contact hours of continuing education within the previous renewal period (Example: July 1, 2005 through June 30, 2006 for 2006 - 2007 renewal).

002. HOURS REQUIRED

COMMENT:

Line 6 references an “application” that must be completed for reinstatement. The location and content of the application or form are not contained within this Rule or the governing statute. G.S. 150B-2 defines “rule” and “form” as follows:

- (8a) "Rule" means any agency regulation, standard, or statement of general applicability that implements or interprets an enactment of the General Assembly or Congress or a regulation adopted by a federal agency or that describes the procedure or practice requirements of an agency. The term includes the establishment of a fee and the amendment or repeal of a prior rule. The term does not include the following:
- ...
- d. A form, the contents or substantive requirements of which are prescribed by rule or statute.
- ...

The “form” appears to be the “NCBLA Individual Application” found on the [“Forms” section of the website](#). Both are attached to this Staff Opinion for your review.

Summary:

As written, this Rule is referencing an application that is outside the process of rulemaking and is not implementing a process prescribed by rule or statute. RRC STAFF OPINION

PLEASE NOTE: THIS COMMUNICATION IS EITHER 1) ONLY THE RECOMMENDATION OF AN RRC STAFF ATTORNEY AS TO ACTION THAT THE ATTORNEY BELIEVES THE COMMISSION SHOULD TAKE ON THE CITED RULE AT ITS NEXT MEETING, OR 2) AN OPINION OF THAT ATTORNEY AS TO SOME MATTER CONCERNING THAT RULE. THE AGENCY AND MEMBERS OF THE PUBLIC ARE INVITED TO SUBMIT THEIR OWN COMMENTS AND RECOMMENDATIONS (ACCORDING TO RRC RULES) TO THE COMMISSION.

AGENCY: Board of Landscape Architects

RULE CITATION: 21 NCAC 26 .0314

RECOMMENDED ACTION:

- ☒ Object, based on:
 - ☐ Lack of statutory authority
 - ☒ Unclear or ambiguous
 - ☐ Unnecessary
 - ☒ Failure to comply with the APA
 - ☐ Extend the period of review

COMMENT:

Lines 5 and 6 reference "application for registration." The location and content of the application is not contained within this Rule or the governing statute. G.S. 150B-2 defines "rule" and "form" as follows:

- (8a) "Rule" means any agency regulation, standard, or statement of general applicability that implements or interprets an enactment of the General Assembly or Congress or a regulation adopted by a federal agency or that describes the procedure or practice requirements of an agency. The term includes the establishment of a fee and the amendment or repeal of a prior rule. The term does not include the following:
- ...
- d. A form, the contents or substantive requirements of which are prescribed by rule or statute.
- ...

Staff is uncertain what application is being referenced by this Rule, but has attached to this Staff Opinion for your review information from the ["Forms" section of the website.](#)

Summary:

As written, this Rule is referencing an application that is outside the process of rulemaking and is not implementing a process prescribed by rule or statute. It is staff's recommendation to object to this Rule for being unclear and ambiguous by referencing an application that is not identified by name and providing no information on how to obtain this form. Furthermore, it is staff's recommendation to object to this Rule for failure to comply with the Administrative Procedure Act by using a form that is not prescribed by rule or statute.

Certificates for corporate practice may be issued only under the provisions of Chapter 55B of the General Statutes, except as provided in Subsection (b) of this Rule and G.S 57C.

(b) Applications for certificate of registration as exempt from the Professional Corporation Act under the provisions of G.S. 55B-15 shall be made upon forms provided by the Board. Completed applications must be accompanied by the corporate application fee. To be eligible as an exempt corporation under the provisions of G.S. 55B-15, the following conditions must exist:

(1) The corporation or limited liability company must have been incorporated or organized prior to June 5, 1969 and permitted by law to render professional services or must be a corporate successor to such corporation or limited liability company as defined by G.S. 55B-15; or

If the Board has not received the annual renewal fee and completed application on or before June 30th, the firm license shall expire and be delinquent. No less than 30 days prior to the renewal date, the Board shall send a notice of renewal to each registered firm. The firm must designate a firm manager to complete the renewal documentation required by the Board. The Board shall not accept incomplete renewal documentation. Renewal documentation must be accompanied by the renewal fee. If the accompanying payment in the amount of the renewal fee is dishonored by the firm's drawee bank for any reason, the Board shall suspend the firm registration until the renewal fee is paid. When the annual renewal has been completed according to the provisions of G.S. 89A-5, the Board Executive shall approve renewal for the firm registration for the current renewal year. The firm license shall not be renewed until the individual landscape architect in responsible charge for the firm has completed the individual renewal process.

(d) Within one year of expiration the firm license may be renewed at any time upon the return of the completed renewal documents, the annual renewal fee and the late renewal fee. After one year from the date of expiration for non-payment of the annual renewal fee the licensee shall not be eligible to seek reinstatement, as set forth in G.S. 89A-5, and the Board may reinstate the firms' certificate of registration only as allowed by G.S. 89A-4.

(e) Renewal fees are non-refundable.

(f) Each registered corporation shall adopt a seal pursuant to 21 NCAC 26 .0207.

(g) In addition to the requirements and limitations of Chapter 55 and Chapter 55B of the General Statutes, the firm name used by a landscape architectural corporation shall conform with 21 NCAC 26 .0206 and be approved by the Board
