Re: Extension for filing the Agency's Spreadsheet Report

Dear Members of the North Carolina Rules Commission:

I am writing requesting an extension of the filing of the Agency's Spreadsheet Report on January 15, 2015. Bain Jones, the Agency Rule Coordinator, had been ill with the flu. Mr. Jones had the Board to determine that all rules are necessary with a substantial public interest and complied with the statutory requirements concerning this determination on April 14, 2014. He noticed the determination for public comment and we received none. The Board made the final determination of necessary with a substantial public interest on August 18, 2014.

With Mr. Jones's assistance, the Board has reviewed the rules and is moving forward with the review required in February 2015. Mr. Jones has made every effort to remain in communication with the Rules Review Staff Attorneys as to the status of our compliance with the rules review.

From December 1, 2014-January 11, 2014, Mr. Jones served as the Interim Executive Director in addition to his responsibilities as Counsel to the Board. I began my work as Executive Director on January 12, 2015. This has been a very busy period for the Board. Mr. Jones was ill the weekend before January 12, 2015 and came to work before he should have on January 15, 2015. He transmitted the spreadsheet to Abigail Hammond on January 15, 2015. Regrettably, the full documentation was not transmitted and Mr. Jones was out of work with the flu on January 16, 2015.

The North Carolina Board of Barber Examiners wishes to fully comply with all statutory requirements. All documentation was emailed and received by the Rules Review Commission on January 20, 2015, the first day Mr. Jones returned to the office.

We regret the delay in the complete filing and respectfully ask the Commission to allow an extension for filing the Spreadsheet report. Thank you for your consideration in this matter.

Sincerely yours,
