Subject: Request for Extension of Review Period

Thank you for your time and guidance as we work towards getting our board's Rules proposals finalized for consideration by the Commission.

We are requesting that the Commission grant NCBEER additional review time until the August meeting for consideration of all of our proposals except 21 NCAC 19.0409.

We understand your recommendation to object to Rule .0409 at the meeting next week, but we are confident that we can work with you to resolve the objection and resubmit it for the Commission's consideration next month. We will use this extension period, as well, to continue working with you in the review of our other proposed Rules.

We look forward to meeting with the Commission in August.

Susan Magas
Rulemaking Coordinator
