Amanda:

I am following up on your message below and subsequent conversations with Brooke Ottesen. My understanding was that we needed to let you know today if we wanted to withdraw Rule 21 NCAC 16W .0101 from consideration at the Commission's January meeting. I was just able to contact my client this afternoon about this issue.

We would like to temporarily withdraw Rule 21 NCAC 16W .0101 from consideration at the Commission's January meeting. We expect that the Dental Board will take this up again at its January meeting, consider the requested technical changes, and readopt the proposed rule at that or a subsequent meeting. Hopefully, my procedural terminology is correct, as I am still on the front end of the learning curve.

Please confirm receipt and let me know if I have misunderstood any of the above. Thank you for your time on this matter.

Doug
