Re: Comments on Periodic Rule Review Report, 26 NCAC 03, Hearings Division

Dear Mr. Culpepper -

Disability Rights NC is our state's federally mandated protection and advocacy organization. We work to protect the legal rights of North Carolinians with disabilities. We are a non-profit legal organization representing clients in a broad range of matters related to their disabilities, including employment, education, housing, abuse, and health care matters. We welcome the opportunity to comment on the N.C. Office of Administrative Hearings' agency report on the review of state rules governing administrative hearings.

We note that the agency has determined several rules to be unnecessary and not implementing or conforming to federal regulation. We urge the agency to reconsider these determinations under Goldberg v. Kelly, 397 U.S. 254 (1970), and the requirements of Title XIX of the Social Security Act and implementing regulations, which authorize Federal grants to states for medical assistance.

Federal law requires fair hearings for applicants and beneficiaries of medical assistance programs under 42 C.F.R. 431 Subpart E. More specifically, in reference to 26 NCAC 03.109, Notice of Hearing, we note 42 C.F.R. 435.918, which governs when and how e-filing can be effectuated in notices (e.g., it cannot be exclusive or mandatory).

We appreciate the opportunity to comment on this plan and ask that the State seriously consider our analysis. We are available to discuss our concerns and proposals further and look forward to continuing to work with the State as the plan evolves. If you have any questions or concerns, please do not hesitate to contact me at 919-856-2195 or mercedes.restucha@disabilityrightsncc.org.

Sincerely,

Vicki Smith

Subject: OAH response to Comments on Periodic Rule Review Report, 26 NCAC 03, Hearings Division by Disability Rights North Carolina

This is the response to the November 30, 2015 comments made in letter form by Disability Rights North Carolina (DRNC) to the Office of Administrative Hearings (OAH) regarding OAH's pending Periodic Rule Review Report to the Rules Review Commission. The subject comments are to the 26 NCAC 03, Hearings Division portion of the review report.

OAH has determined that six (6) administrative rules in 26 NCAC 03 (to wit: 26 NCAC 03 .0109, .0110, .0124, .0128, .0129 and .0130) are unnecessary rules in that each of said rules is either obsolete, redundant, or otherwise not needed. DRNC appears to object to the unnecessary rule determination for these six (6) rules, but no specific reasons are given by DRNC as to why these rules are not either obsolete, redundant, or otherwise not needed. OAH has fully analyzed these rules and the determination that each of the subject rules is either obsolete, redundant, or otherwise not needed, and therefore unnecessary, remains unchanged.

In its comments, DRNC states: "Federal law requires fair hearings for applicants and beneficiaries of medical assistance programs under 42 C.F.R. 431 Subpart E." OAH has two (2) administrative rules (to wit: 26 NCAC 03 .0401 and .0402) that pertain to Medicaid Applicant and Recipient Appeals. It is correct that these two rules "Implement or Conform to Federal Regulation", to wit: 42 C.F.R. 431 Subpart E as is set forth in DRNC's letter of comments. Therefore, the OAH Periodic Rule Review Report should be modified by citing these federal regulations as applying to the two aforementioned Medicaid administrative rules.

Re: Comments on Periodic Rule Review Report, 26 NCAC 03, Hearings Division

Dear Mr. Culpepper -

I write to follow up on the letter submitted by Disability Rights NC on November 30, 2015 concerning the proposed revisions to the state rules governing administrative hearings. Since then, we have consulted with the staff at the Office of Administrative Hearings about those concerns raised in that letter. Having discussed the purpose and effect of the proposed revisions with your staff, we are satisfied that the revised rules are in compliance with the federal statutes and rules governing the Medicaid program.

More specifically, the concerns raised in our earlier letter related to the proposed deletion of certain rules. As explained by your staff, Rules 26 NCAC 03.0109 and .0124 are already excepted from Medicaid appeals; Rules 26 NCAC 03.0110 and .0128 simply restate statutory provisions of Chapter 150B; and Rules 26 NCAC 03.0129 and .0130 are rendered obsolete or redundant by statutory revisions to Chapter 150B or other administrative rules.

We have appreciated the opportunity to comment on this plan and the willingness of the Office of Administrative Hearings to take the time to explain the reasoning behind the proposed revisions.

Sincerely,

John R. Rittelmeyer
Director of Special litigation
