Re: Existing Rules Review Report for 20 NCAC 03

Dear Ms. Alexander:

At its meeting on November 17, 2016, the Rules Review Commission (RRC) reviewed the above-referenced Periodic Review and Expiration of Existing Rules Report pursuant to G.S. 150B-21.3A. Based upon an inquiry at that meeting, the RRC requested clarification as to the identity of the agency that actually conducted the analysis, made the initial determinations, posted the report for the 60-day comment period, and made the final determinations. A response has been provided that the actions were not taken by the Local Government Commission.

The periodic review of the rules set forth in the report for 20 NCAC 03 needs to be rescheduled to ensure proper compliance with G.S. 150B-21.3A(c)(1). This report shall be rescheduled in Rule 26 NCAC 05 .0211 as follows: the report for 20 NCAC 03 must be completed and filed with the Office of Administrative Hearings by the rulemaking agency by November 15, 2017. The report will be reviewed by the RRC at the **December 2017** meeting.

If you have any questions regarding the RRC's actions, please let me know.

Sincerely,

Abigail M. Hammond

Re: Existing Rules Review Report for 20 NCAC 03

Dear Chairperson Cowell:

At its meeting on November 17, 2016, the Rules Review Commission (RRC) reviewed the above-referenced Periodic Review and Expiration of Existing Rules Report pursuant to G.S. 150B-21.3A.

In its review, the RRC determined that the proper rulemaking body or agency for this report is the North Carolina Local Government Commission. Pursuant to the North Carolina Administrative Procedure Act set forth in Chapter 150B of the General Statutes, the rulemaking body for the rules set forth in 20 NCAC 03 is the Local Government Commission.

G.S. 150B-21.3A(c)(1) requires an agency to “conduct an analysis of each existing rule” and to make an initial determination; to post the initial determinations for at least a 60-day comment period; to review the comments received; and to make a final determination on the rule. That final determination by the agency, along with any comments received and the agency’s response to the comments, is provided to the Rules Review Commission for their review as set forth in G.S. 150B-21.3A(c)(2).

The documents filed with the Office of Administrative Hearings for Rules Review Commission review of 20 NCAC 03 indicates that the “agency” was the “Department of State Treasurer.” This letter requests clarification from you, as the Chairperson for the

Local Government Commission, as to the identity of the agency that actually conducted the analysis, made the initial determinations, posted the report for the 60-day comment period, and made the final determinations. If these actions were taken by the proper rulemaking body, the Local Government Commission, please provide a copy of the minutes from the meetings in which the initial and final determinations were made by the agency.

The requested documents will be reviewed by the Rules Review Commission prior to further review of the Periodic Review and Expiration of Existing Rules Report for 20 NCAC 03 filed with the Office of Administrative Hearings on September 20, 2016. If it is determined by the Rules Review Commission that the rulemaking body did not take the actions described above, or if the agency is unable to produce documentation of taking these actions, the review of this report will be rescheduled to ensure proper compliance with G.S. 150B-21.3A.

Please submit the requested documentation to my attention no later than **Friday, December 2, 2016**. If you have any questions regarding the RRC's actions or this request, please let me know.
