

REQUEST FOR TECHNICAL CHANGE

AGENCY: State Board of Plumbing, Heating and Fire Sprinkler Contractors

RULE CITATION: 21 NCAC 50 .0106

DEADLINE FOR RECEIPT: Friday, December 9, 2016

NOTE WELL: *This request when viewed on computer extends several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made. Approval of any rule is contingent upon making technical changes as set forth in G.S. 150B-21.10.

Please delete the comma after "contractors" and add "is."

Is the intent of the change in hours to allow the Board to be able to close for things such as holidays or is the intent truly that the Board can close as it wishes, when it wishes, for as long as it wishes? Please consider providing some clarification in the Rule to ensure that the intent is clear.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

Amber May
Commission Counsel
Date submitted to agency: November 28, 2016
