In reviewing these rules, the staff determined that the following technical changes need to be made. Approval of any rule is contingent upon making technical changes as set forth in G.S. 150B-21.10.

Line 3 – consider deleting “Philosophy and” in light of the comments regarding Paragraph (a), below. General statements of philosophy or aspirations are not rules.

Lines 4-12 – delete Paragraph (a) entirely. If elements of this paragraph help inform the meaning of “appropriately compensate,” incorporate them as suggested below.

Line 13 – replace “A compensation plan shall be maintained” with “The State Human Resources Commission shall maintain a compensation plan” if that is what is intended.

Line 14 – what does “appropriately compensate” mean? If you mean compensation that will “encourage exceptional performance and maintain labor market competitiveness within the boundaries of financial resources” then say so, perhaps adding a sentence in line 14 as follows:

“Appropriate compensation” shall mean compensation that encourages exceptional performance and maintains labor market competitiveness within the limits of financial resources.

Line 16 – add “provided that” or “however,” before “such”

In reviewing these rules, the staff determined that the following technical changes need to be made. Approval of any rule is contingent upon making technical changes as set forth in G.S. 150B-21.10.

Lines 4-10 – consider revising as follows:

(a) The salary structures in the compensation plan maintained pursuant to Rule .0101 of this Section shall include all positions subject to the State Human Resources Act. Each such position shall be assigned to a pay grade with an associated salary range based on similar employment in the defined labor market. 25 NCAC 01D .0102 is amended as published in 31:05 NCR 391 as follows:

25 NCAC 01D .0102 SALARY RANGES STRUCTURES

(a) The salary structures provide a framework to set and manage compensation in a fair and consistent manner relative to the market for all positions subject to the State Human Resources Act. Each ~~classified~~ position is assigned to a pay grade with an associated salary range that provides, based on similar employment in the defined labor market; market. Each pay grade is constructed with a minimum, ~~intermediate~~ midpoint and maximum salary rates that are competitive with rates in the external labor market consistent with the state's ability to pay; and proper relationships within state government employment to maintain internal equity. The minimum and maximum represent the lowest and highest salary that may be paid for a job assigned to that pay grade.

~~(b) Based on labor market demands, salary rates for some classifications may be approved above the standard rates. When a higher salary range (i.e., both the minimums and maximums are raised) is needed to recruit employees to certain areas of the state, the higher range(s) will be known as geographic differentials. When only the entry rates (and not the maximums) need to be higher, the higher rates will be known as special entry rates. Special entry rates may be approved on a geographic basis also.~~

(b) Employee salaries are commensurate with all applicable pay factors, responsibilities, requirements, content and scope of job in relation to the salary range established for that position. Salary ranges are divided into quartiles, to aid in determining employee and potential employee salary placement within the prescribed salary range. As relevant labor markets change, salary rates may be adjusted with approval by the State Human Resources Commission.

~~(c) When geographic differentials are in effect, all salary administration policies are applied as if the classification were at the higher grade. Provisions for applying special entry rates are included in each policy.~~

RULE CITATION: 25 NCAC 01D .0112

DEADLINE FOR RECEIPT: Wednesday, January 11, 2017

NOTE WELL: *This request extends several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made. Approval of any rule is contingent upon making technical changes as set forth in G.S. 150B-21.10.

This Rule is similar to 25 NCAC 01E .0204, and, as a general matter, the two rules should mirror one another as closely as possible. Should 01E .0204 be amended to remove references to "trainees"? The technical changes suggested below attempt to begin reconciling these two rules. When 01E .0204 is next amended, consider incorporating elements of 01D .0112 as appropriate, completing this reconciliation.

Lines 4-11 – consider revising Paragraphs (a), (b), and (c) to mirror 01E .0204, as follows:

(a) "Total state service" shall mean the time of full-time or part-time (half-time or over) employment of an employee with a permanent, probationary, or time-limited appointment, whether subject to or exempt from the State Human Resources Act. If an employee is in pay status, on authorized military leave, or on workers' compensation leave for at least one-half of the regularly scheduled workdays and holidays in a pay period, credit toward total state service shall be given for the entire pay period.

Lines 12 and 17 – in this Rule, examples are provided using "e.g." and "Examples:" – please pick one term and use it consistently. Consider replacing both terms with "such as"

Line 13 – replace "the agency shall credit time" with "credit toward total state service shall be given"

Line 14 – replace "the agency shall credit time" with "credit toward total state service shall be given"

Line 14 – replace "month for month" with "month-for-month"

Line 15 – revise as follows: "Credit toward total state service shall be given for:"

Line 17 – add "and" before "judicial"

Line 20 – add a comma after "services"

Jason Thomas
Commission Counsel
Date submitted to agency: December 22, 2016

Line 22 – add a comma after “Carolina” and replace the parenthesis before “except” with a comma

Line 23 – replace the parenthesis after “pages” with a comma and delete the period.

Line 23 – replace “All” with “including all”

Line 24 – delete “shall be counted”

Lines 25 and 28-29 – what does “for which service credit is granted” mean? Is the credit granted pursuant to a rule of statute that could be cited here?

Line 26 – add “that” after “provided”

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

(e) In addition, the agency shall credit time for:

- (1) Employment with other governmental units which are now North Carolina State agencies (Examples: county highway maintenance forces, War Manpower Commission, judicial system);
