RE: NC Well Contractors Certification Commission. Request to Reschedule the Periodic Review of Existing Rules Report for earlier review pursuant to 26 NCAC 05 .0205

The NC Well Contractors Certification Commission (WCCC) would like to request the Periodic Review of Existing Rules Report for 15A NCAC 27 be considered for an earlier review. The initial determinations for the Report of 15A NCAC 27, "Well Contractor Certification Rules" was posted for public comment from September 12, 2016 – November 21, 2016. The Report is currently scheduled for RRC review in December 2018 pursuant to 26 NCAC 05 .0211(a). Through this process, we have identified areas for potential rule amendments and would like to initiate readopting these rules as soon as possible by publishing in the September 15, 2017 NC Register issue. A copy of the Report and comments received are attached in this transmittal. We respectfully request the Rules Review Commission to review the Report for 15A NCAC 27 at your May 18, 2017 meeting.

Sincerely,

A handwritten signature in blue ink that reads 'Jennifer L. Everett'. The signature is fluid and cursive, with the first name 'Jennifer' being more prominent.
