

RRC STAFF OPINION

PLEASE NOTE: THIS COMMUNICATION IS EITHER 1) ONLY THE RECOMMENDATION OF AN RRC STAFF ATTORNEY AS TO ACTION THAT THE ATTORNEY BELIEVES THE COMMISSION SHOULD TAKE ON THE CITED RULE AT ITS NEXT MEETING, OR 2) AN OPINION OF THAT ATTORNEY AS TO SOME MATTER CONCERNING THAT RULE. THE AGENCY AND MEMBERS OF THE PUBLIC ARE INVITED TO SUBMIT THEIR OWN COMMENTS AND RECOMMENDATIONS (ACCORDING TO RRC RULES) TO THE COMMISSION.

AGENCY: Commission for Public Health

RULE CITATION: All Rules submitted

RECOMMENDED ACTION:

- Approve, but note staff's comment
- Object, based on:
 - Lack of statutory authority
 - Unclear or ambiguous
 - Unnecessary
- Failure to comply with the APA
- Extend the period of review

COMMENT:

Staff recommends objection to this Rule for failure to comply with the APA.

The Board published these Rules in the November 15, 2016 Register. The noticed comment period was November 15, 2016 to January 1, 2017, a total of 47 days. (The Notice of Text is attached.) G.S. 150B-21.2(f) states that an agency must accept comments for a period of at least 60 days. Therefore, the agency failed to comply with the APA.

Staff recommends the Commission object to these Rules, as they were not adopted in compliance with the Administrative Procedure Act.

REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1821

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In Item (1), why are there two definitions and one exclusion for this term?

Item (1)(a), line 11, who are the "accrediting agencies" and what are "national standards"? Does your regulated public know?

In (1)(b), line 14, who is the independent evaluator?

Line 16, I recommend inserting a comma after "discipline"

In Item (2), line 19, unless you have properly incorporated this Act elsewhere, you will need to do so here pursuant to G.S 150B-21.6. Please give the proper citation to the law, and tell where it can be accessed and at what cost. If it can be accessed for free online, give the url and state it may be accessed free of charge.

In Item (3), line 20, I recommend replacing "on" with "upon"

Line 23, what are "generally recognized standards"? Where are they located or found?

Why do you need Item (6)? Specifically, why do you need the second sentence?

In Item (8) and elsewhere where the term is used in Rules, should the term "person in charge" be hyphenated?

In Item (11)(b)(i), Page 2, line 3:

- *Should it be "food" or "food product"?*
- *Please replace the comma with a semicolon.*

In Item (13), line 8, please underline "accessories." since you made that change after publication.

In Item (14), and elsewhere where it is referenced, I take it you mean the Food Code 2009 as incorporated by reference in Rule 15A NCAC 18A .2650?

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

On line 11, please state either “Rule .2654 of this Subchapter” or “Rule 15A NCAC 18A .2654.” I note that in Item (22), you use “Rule 15A NCAC 18A” and you may wish to do that here for consistency.

Is there a reason that Item (16) isn’t just one Item, rather than Sub-Items?

Assuming you need to keep it as written, lines 15-16, what do you mean by “especially placed”?

And in (16)(b), line 17, I recommend replacing “Handwashing sink” with “This” or “The term” before “includes”

In Item (17), who will determine what “may” cause this and define “unacceptable consumer risk”

In Item (20), line 25, “Section” should be capitalized, assuming you mean this Section of the Rules. If you mean it to only apply to the definition, replace “section” with “Item”

On line 25, I recommend putting “lodging establishment” in quotation marks.

In Item (21), line 27, please insert an opening quotation mark before “mg/L”

In Item (22), line 28, to what specific part of Rule .2651 are you referring, as I don’t see that term used in that Rule.

In Item (27), Page 3, line 3, please insert an opening quotation mark before “Physical”

On line 3, I recommend inserting a comma after “establishment”

On line 4, I recommend inserting a comma after “attachments”

In Sub-Item (28)(b), so that I’m clear – are sanitizers usually considered pesticides? Is this why you need to exclude them here when they are specifically addressed in Sub-Item (28)(a)?

In Sub-Item (28)(c), who determines what “may be deleterious to health”? Where are the guidelines for this?

In Sub-Item (28)(d), line 15, why is “PREMISES” in all caps?

Line 15, please properly insert a period after “paints”

In Item (29), is the cross-reference to Item (2) in 15A NCAC 18A .2651?

In Item (32), line 22, what is an “authorized agent”

In Items (32), line 22, and (33), line 23, capitalize “Department”

In Item (33), who is this authorized agent? Isn’t the Department the actual regulatory authority here in that it grants the permits based upon Commission rules? Why are you using this term rather than “Department” throughout the rules?

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

In Item (34), line 25, who is evaluating, what does “efficacy” mean here and how is “sufficient” determined?

Line 26, define “public health importance”

Item (35), line 28, this is not the correct cross-reference. There is no Subchapter 18E in Title 15A.

In Item (36), line 34, please insert a comma after “bottles”

In Item (37), line 35, please insert a comma after “drinking”

In Item (39), Page 4, line 5, define “immediate threat to the public health.” Is this intended to address G.S. 130A-248(b)?

(b) No establishment shall commence or continue operation without a permit or transitional permit issued by the Department. The permit or transitional permit shall be issued to the owner or operator of the establishment and shall not be transferable. If the establishment is leased, the permit or transitional permit shall be issued to the lessee and shall not be transferable. If the location of an establishment changes, a new permit shall be obtained for the establishment. A permit shall be issued only when the establishment satisfies all of the requirements of the rules. The Commission shall adopt rules establishing the requirements that must be met before a transitional permit may be issued, and the period for which a transitional permit may be issued. The Department may also impose conditions on the issuance of a permit or transitional permit in accordance with rules adopted by the Commission. A permit or transitional permit shall be immediately revoked in accordance with G.S. 130A-23(d) for failure of the establishment to maintain a minimum grade of C. A permit or transitional permit may otherwise be suspended or revoked in accordance with G.S. 130A-23.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1822

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

On line 5, "Rule" should be singular.

Why are you using the language in the quotation marks? Wouldn't a reference to "15A NCAC 18A .2652" be sufficient?

In Item (3), what do you mean by "section"? Do you mean "Rule"?

And are you seeking a delayed effective date for the requirements, but to have the Rule in the Code now?

On line 10, replace "are" with "shall be"

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In (a), line 4, what is "good repair"?

In (b), line 7, please show that you are deleting the period after "cover"

Also on line 7, replace "and/or" with "or"

On line 8, do you mean "at least" rather than "a least"? And I take it you need "at least" here?

Since it does not appear that you changed Paragraphs (c) through (e) after publication, and you did publish these Paragraphs in the Register, please remove the underline from them. [See Rule 26 NCAC 02C .0404(b)(1)]

In (c), line 10, what do you mean by "facilitate cleaning and kept clean"?

REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1829

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In (a), line 4, please note my earlier question regarding the use of "regulatory authority" since G.S. 130A-248(b) states:

(b) No establishment shall commence or continue operation without a permit or transitional permit issued by the Department.

What does the new language on lines 5 through 7 mean? And to exactly what part of Rule .1822 are you referring to?

In (b), line 9, how will the Department know to complete the evaluation? Is there a process by which someone requests it?

On line 12, define "immediate threat to public health." Or are you relying upon the term as used in G.S. 130A-248(c)?

(c) If ownership of an establishment is transferred or the establishment is leased, the new owner or lessee shall apply for a new permit. The new owner or lessee may also apply for a transitional permit. A transitional permit may be issued upon the transfer of ownership or lease of an establishment to allow the correction of construction and equipment problems that do not represent an immediate threat to the public health. ... For purposes of this subsection, "transitional permit" shall mean a permit issued upon the transfer of ownership or lease of an existing food establishment to allow the correction of construction and equipment problems that do not represent an immediate threat to the public health.

On line 14, again, how does one receive the permit? Through an application process?

In (c), so that I'm clear, these will be issued as part of the permit?

Consider making (c)(1) through (8) a list, ending the (c)(1) through (7) with semicolons and adding and "or" at the end (c)(7).

In (c)(4), line 22, insert a comma after "fixtures"

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

What does (c)(6) mean? Does your regulated public know?

In (c)(7), submission to whom?

In (c)(8), what are these conditions? Are they given on a case-by-case basis? And who determines necessity – the Department?

In (e), line 27, how will this evaluation be triggered, such that it occurs? Is this what is addressed by lines 30-31?

Line 30, what “applicable rules” are you referring to?

Please insert a History Note for this Rule.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

1 15A NCAC 18A .1829 is adopted with changes as published in 31:10 NCR 966-974 as follows:

2
3 **15A NCAC 18A .1829 PERMITS**

4 (a) No permit for a lodging establishment shall be issued to a person until an evaluation by the regulatory authority
5 shows that the establishment complies with this Section. However, for bed and breakfast homes and inns, the
6 regulatory authority shall allow a period of 210 days after the date of issuance to comply with the certified food
7 protection manager requirements in Rule .1822 of this Section.

8 (b) Upon transfer of ownership of an existing lodging establishment, the regulatory authority shall complete an
9 evaluation. If the lodging establishment satisfies all the requirements of the rules, a permit shall be issued. If the
10 lodging establishment does not satisfy all the requirements of the rules, a permit shall not be issued. A transitional
11 permit shall be issued if the regulatory authority determines that the noncompliant items are construction or equipment
12 problems that do not represent an immediate threat to public health. The transitional permit shall expire 180 days
13 after the date of issuance, unless suspended or revoked before that date, and shall not be renewed. Upon expiration
14 of a transitional permit, the permit holder shall have corrected the noncompliant items and obtained a permit, or the
15 lodging establishment shall not continue to operate.

16 (c) The regulatory authority shall impose conditions on the issuance of a permit or a transitional permit if necessary
17 to ensure that a lodging establishment remains in compliance with this Section. Conditions may be specified for one
18 or more of the following areas:

- 19 (1) The number of bedrooms or persons housed.
20 (2) The amount of laundry or kitchen and warewashing equipment on the premises.
21 (3) Time schedules in completing minor construction items.
22 (4) Modification or maintenance of water supplies, water use fixtures and sanitary sewage systems.
23 (5) Use of facilities for more than one purpose.
24 (6) Continuation of contractual arrangements upon which basis the permit was issued.
25 (7) Submission and approval of plans for renovation.
26 (8) Any other conditions necessary for a lodging place to remain in compliance with this Section.

27 (e) If a permit or transitional permit has been suspended, the suspension shall be lifted if the regulatory authority has
28 evaluated the lodging establishment and found that the violations causing the suspension have been corrected. If a
29 permit or transitional permit has been revoked, a new permit shall be issued only after the regulatory authority has
30 evaluated the lodging establishment and found it to comply with all applicable rules. The evaluations shall be
31 conducted within 15 days after the request is made by the permit holder.

RULE CITATION: 15A NCAC 18A .1830

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

I take it that this Rule is relying upon G.S. 130A-249?

§ 130A-249. Inspections; report and grade card.

The Secretary may enter any establishment that is subject to the provisions of G.S. 130A-248 for the purpose of making inspections. The Secretary shall inspect each food service establishment at a frequency established by the Commission. In establishing a schedule for inspections, the Commission shall consider the risks to the population served by the establishment and the type of food or drink served by the establishment. The person responsible for the management or control of an establishment shall permit the Secretary to inspect every part of the establishment and shall render all aid and assistance necessary for the inspection. **The Secretary shall leave a copy of the inspection form and a card or cards showing the grade of the establishment with the responsible person. The Secretary shall post the grade card in a conspicuous place as determined by the Secretary where it may be readily observed by the public upon entering the establishment** or upon picking up food prepared inside but received and paid for outside the establishment through delivery windows or other delivery devices. If a single establishment has one or more outside delivery service stations and an internal delivery system, that establishment shall have a grade card posted where it may be readily visible upon entering the establishment and one posted where it may be readily visible in each delivery window or delivery device upon picking up the food outside the establishment. The grade card or cards shall not be removed by anyone, except by or upon the instruction of the Secretary.

If so, please add it to the History Note.

And if you are relying upon it, I take it you are also relying upon the law for “conspicuous” and “readily observed”?

Also, again, why are you using “regulatory authority” here when the statute makes it clear the Department is acting?

In (a), on line 5, what is “inconspicuous”?

On line 8, replace “which” with “that”

Amanda J. Reeder

Date submitted to agency: April 28, 2017

Also on line 8, once suggested, what happens next? Should there be language like there is on lines 13 and 14?

In (b), on line 12, please capitalize "The"

On line 13, replace "which" with "that"

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

3 **15A NCAC 18A .1830 PUBLIC DISPLAY OF GRADE CARD**

4 (a) Upon initial inspection of a lodging establishment or if a renovation or other change in the establishment makes
5 the grade card inconspicuous, the regulatory authority shall designate the location for posting the grade card. The
6 grade card shall be located in a conspicuous place where it may be readily observed by the public upon entering the
7 lodging establishment. If the person in charge of the lodging establishment objects to the location designated by the
8 regulatory authority, then the person in charge may suggest an alternative location which meets the criteria of this
9 Rule.

10 (b) When an inspection of a lodging establishment is made, the regulatory authority shall remove the existing grade
11 card, issue a new grade card, and post the new grade card in the same location where the grade card was previously
12 posted as long as that location remains conspicuous. the person in charge of the lodging establishment shall keep the
13 grade card posted at the designated location at all times. The grade card may be posted in another location which meets
14 the criteria of this Rule if agreed upon by the person in charge and the regulatory authority.

REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1831

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

What is the purpose of (a)? To ensure that your regulated public knows what to expect when the agency comes to inspect?

If so, then what do you mean by "purpose" on line 4?

On line 7, you state that if a person in charge is not present, an employee will be invited to accompany on the inspection. But G.S. 130A-249 states:

The person responsible for the management or control of an establishment shall permit the Secretary to inspect every part of the establishment and shall render all aid and assistance necessary for the inspection.

How does having an employee around accompany the inspector work within this statute?

In (b), is this going to be the card in G.S. 130A-249?

In (b), is this form on line 10 the same as set forth in Paragraph (d)?

In (b)(4), you aren't including Rule .1827 on purpose?

In (d), please explain this to me. Does the establishment begin with a 100-point score and then points are deducted based upon violations set forth in (d)(1) through (38)?

Also, you changed some of the point allocations after publication. Did you do this as a result of public comment?

Also, I have a curiosity question – why are the violations not in the order of the Rules that are cited?

Are the requirements in (d)(1) through (6) in the Food Code?

In (d)(4), line 29, define "proper"

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

In (d)(6), line 33, define “properly”

Are the requirements in (d)(7), (8) and (10) through (13) in the Food Code?

In (d)(8), Page 2, line 1, should it read “separated and protected”?

In (d)(9), line 4, define “proper” And is this a reference to .1823(c)?

In (d)(14), line 12 and (d)(18), line 20, please note my earlier question regarding whether “nonfood” is one word or two.

Also, is (d)(14) in the Food Code?

In (d)(20), line 24, is this the correct cross-reference? Is the violation not addressed by .1824(i)?

Is (d)(22) in the Food Code? Where did this additional language come from?

Is (d)(23) in the Food Code?

In (d)(26), this is the only violation of Rule .1826(g) that will result in a deduction?

In (d)(27), Page 3, line 1, please make “Rules” singular.

In (e), line 26, replace “which” with “that” in both places.

On line 26, what do you mean by “alphabetical grade”? Is this the grade mentioned in G.S. 130A-248(a3)?

The rules shall contain a system for grading establishments, such as Grade A, Grade B, and Grade C. The rules shall be written in a manner that promotes consistency in both the interpretation and application of the grading system.

Or is this what is contemplated in Rule .1832? If so, do you wish to insert a cross-reference here?

In the History Note, isn't G.S. 130A-249 also applicable, such that it should be added?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In (a), line 4, I take it the system of scoring is what is in Rule .1831?

On line 5, delete "at:" and end the sentence "of:"

In (a)(1), should it be "90 percent or more"?

Why isn't Paragraph (b) in Rule .1830? It seems to belong there.

On line 12, how is this approved? Isn't it issued by the State, so is "approval" necessary?

If you do need to retain (b), please insert G.S. 130A-249 in the History Note.

REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1833

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In (a), line 4, do you mean "Plans that are drawn to scale"? If so, why not just state that.

On line 4, delete the comma after "specifications"

So that I'm clear – Paragraph (a) requires review by the local health department. But G.S. 130A-248(e) speaks to Department review of some places. Is this Paragraph intended to exclude those?

(e) In addition to the fees under subsection (d) of this section, the Department may charge a fee of two hundred fifty dollars (\$250.00) for plan review of plans for prototype franchised or chain facilities for food establishments subject to this section. All of the fees collected under this subsection may be used to support the State food, lodging, and institution sanitation programs and activities under this Part.

(e1) Plans for a franchised or chain food establishment that have been reviewed and approved by the Department shall not require further review and approval under this section by any local health department. The local health department may suggest revisions to a reviewed and approved plan to the Department. The local health department shall not impose any of the suggestion revisions on the owner or operator without written approval from the Department.

So that I'm clear – the application form mentioned in Paragraph (b) is the form with the contents spelled out in Paragraph (c)? If so, consider stating on line 10, "The application form shall include."

In (b), line 8, please note my earlier questions regarding "regulatory authority" because here, you mean to the Department, right?

In (c)(3), line 15, define "directly"

In (c)(4)(A), lines 18-19, I recommend stating "Subparagraph (a)(2) of this Rule" but it's up to you.

On line 19, replace the comma with a semicolon.

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

In (c)(4)(B), line 20, insert a comma after “agent”

Also on line 20, when will this be required? Is this in Rule or law somewhere?

In (c)(5)(A), line 23, (5)(B), line 25, and (5)(C), line 27, is “potentially hazardous” being defined as “time/temperature control for food safety”? If not, please define the term. If so, what does this term mean? Is it in the Food Code?

So that I’m clear – between (c)(5)(A) and (C), is there any other type? One that doesn’t serve any food?

In (c)(5)(C), line 27, this is not new language – you published it in the Register. Please remove the underline.

In (c)(6), I believe this should read “Number and type of meals, and the menu”

But so that I’m clear – what does “menu” mean? The menu for every day? Or just a general overview of it? If it’s every day, I am simply curious – how are daily specials handled?

In (c)(7), what information is this? Is it to ensure compliance with Rule .1825 of this Section?

End (c)(8) with an “and” assuming that you are requiring everything in Paragraph (c).

In (c)(9), what information could this be? While you do not need to spell out everything it could be, you do have to provide guidance in this Rule.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

RRC STAFF OPINION

PLEASE NOTE: THIS COMMUNICATION IS EITHER 1) ONLY THE RECOMMENDATION OF AN RRC STAFF ATTORNEY AS TO ACTION THAT THE ATTORNEY BELIEVES THE COMMISSION SHOULD TAKE ON THE CITED RULE AT ITS NEXT MEETING, OR 2) AN OPINION OF THAT ATTORNEY AS TO SOME MATTER CONCERNING THAT RULE. THE AGENCY AND MEMBERS OF THE PUBLIC ARE INVITED TO SUBMIT THEIR OWN COMMENTS AND RECOMMENDATIONS (ACCORDING TO RRC RULES) TO THE COMMISSION.

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1834

RECOMMENDED ACTION:

- Approve, but note staff's comment
- X Object, based on:
 - x Lack of statutory authority
 - X Unclear or ambiguous
 - Unnecessary
 - Failure to comply with the APA
- Extend the period of review

COMMENT:

Staff recommends objection to this Rule for lack of statutory authority and ambiguity.

This Rule establishes an informal review process and right to a contested case. The Rule does not cite to, and staff is not aware of, any statutory authority for the agency to do this.

Subparagraph (a)(2) states that if a permit holder disagrees with a decision of the local health department, the permit holder may initiate a contested case pursuant to G.S. 150B.

However, G.S. 150B-2(2) defines a "contested case" as:

- (2) "Contested case" means an administrative proceeding pursuant to this Chapter to resolve a dispute **between an agency and another person** that involves the person's rights, duties, or privileges, including licensing or the levy of a monetary penalty. "Contested case" does not include rulemaking, declaratory rulings, or the award or denial of a scholarship, a grant, or a loan.

And G.S. 150B-2(1a) defines "agency" as:

- (1a) "Agency" means an agency or an officer in the executive branch of the government of this State and includes the Council of State, the Governor's

Amanda J. Reeder
Commission Counsel

Office, a board, a commission, a department, a division, a council, and any other unit of government in the executive branch. **A local unit of government is not an agency.**

Staff is not aware of, and the agency does not provide, any statutory authority for a local department of health to be considered an “agency” such that they would be subject to contested cases pursuant to G.S. 150B.

It may be that the intent of the Rule is to allow a contested case following an adverse decision by the Commission for Public Health or the Department for Public Health, both of whom are agencies pursuant to G.S. 150B-2, but that is not how the Rule is written.

Further, staff notes that the Rule states that a permit holder may file a contested case when he or she disagrees with “the interpretation, application, or enforcement of the rules.” However, G.S. 15B-2(2) states that a contested case may be filed when it involves “rights, duties, or privileges.” It is unclear if a disagreement of “interpretation and application” will involve rights, duties, or privileges and thus creating the jurisdiction for a contested case.

Further, the statutory authority cited to by the agency makes no mention of any appeals following decisions in (a) by local health departments, even the informal review addressed by Paragraphs (d) through (f) of the Rule. There may be authority for the agency to create these appeals, but the agency has not provided any statutory authority for this Rule.

Therefore, staff recommends objection to this Rule for lack of statutory authority and ambiguity.

§ 130A-248. Regulation of food and lodging establishments.

(a) For the protection of the public health, the Commission shall adopt rules governing the sanitation of establishments that prepare or serve drink or food for pay and establishments that prepare and sell meat food products or poultry products. However, any establishment that prepares or serves food or drink to the public, regardless of pay, shall be subject to the provisions of this Article if the establishment that prepares or serves food or drink holds an ABC permit, as defined in G.S. 18B-101, meets any of the definitions in G.S. 18B-1000, and does not meet the definition of a private club as provided in G.S. 130A-247(2).

(a1) For the protection of the public health, the Commission shall adopt rules governing the sanitation of hotels, motels, tourist homes, and other establishments that provide lodging for pay.

(a2) For the protection of the public health, the Commission shall adopt rules governing the sanitation of bed and breakfast homes, as defined in G.S. 130A-247, and rules governing the sanitation of bed and breakfast inns, as defined in G.S. 130A-247. In carrying out this function, the Commission shall adopt requirements that are the least restrictive so as to protect the public health and not unreasonably interfere with the operation of bed and breakfast homes and bed and breakfast inns.

(a3) The rules adopted by the Commission pursuant to subsections (a), (a1), and (a2) of this section shall address, but not be limited to, the following:

- (1) Sanitation requirements for cleanliness of floors, walls, ceilings, storage spaces, utensils, ventilation equipment, and other areas and items;
- (2) Requirements for:
 - a. Lighting and water supply;
 - b. Wastewater collection, treatment, and disposal facilities; and
 - c. Lavatory and toilet facilities, food protection, and waste disposal;
- (3) The cleaning and bactericidal treatment of eating and drinking utensils and other food-contact surfaces. A requirement imposed under this subdivision to sanitize multiuse eating and drinking utensils and other food-contact surfaces does not apply to utensils and surfaces provided in the guest room of the lodging unit for guests to prepare food while staying in the guest room.
- (3a) The appropriate and reasonable use of gloves or utensils by employees who handle unwrapped food;
- (4) The methods of food preparation, transportation, catering, storage, and serving;
- (5) The health of employees;
- (6) Animal and vermin control; and
- (7) The prohibition against the offering of unwrapped food samples to the general public unless the offering and acceptance of the samples are continuously supervised by an agent of the entity preparing or offering the samples or by an agent of the entity on whose premises the samples are made available. As used in this subdivision, "food samples" means unwrapped food prepared and made available for sampling by and without charge to the general public for the purpose of promoting the food made available for sampling. This subdivision does not apply to unwrapped food prepared and offered in buffet, cafeteria, or other style in exchange for payment by the general public or by the person or entity arranging for the preparation and offering of such unwrapped food. This subdivision shall not apply to open air produce markets nor to farmer market facilities operated on land owned or leased by the State of North Carolina or any local government.

Amanda J. Reeder
Commission Counsel

The rules shall contain a system for grading establishments, such as Grade A, Grade B, and Grade C. The rules shall be written in a manner that promotes consistency in both the interpretation and application of the grading system.

(a4) For the protection of the public health, the Commission shall adopt rules governing the sanitation of limited food service establishments. In adopting the rules, the Commission shall not limit the number of days that limited food service establishments may operate. Limited food service establishment permits shall be issued only to political subdivisions of the State, establishments operated by volunteers that prepare or serve food in conjunction with amateur athletic events, or for establishments operated by organizations that are exempt from federal income tax under section 501(c)(3) or section 501(c)(4) of the Internal Revenue Code.

(a5) The Department of Health and Human Services may grant a variance from rules adopted pursuant to this section in accordance with the United States Food and Drug Administration Food Code 2009 if the Department determines that the issuance of the variance will not result in a health hazard or nuisance condition.

(a6) Notwithstanding any provision of this Part or any rules adopted pursuant to G.S. 130A-335(e), a permitted food stand may elect to provide tables and not more than eight seats for customers to use while eating or drinking on the premises. Addition of seats under this subsection shall not require further evaluation of the adequacy of the approved sanitary sewage system.

(b) No establishment shall commence or continue operation without a permit or transitional permit issued by the Department. The permit or transitional permit shall be issued to the owner or operator of the establishment and shall not be transferable. If the establishment is leased, the permit or transitional permit shall be issued to the lessee and shall not be transferable. If the location of an establishment changes, a new permit shall be obtained for the establishment. A permit shall be issued only when the establishment satisfies all of the requirements of the rules. The Commission shall adopt rules establishing the requirements that must be met before a transitional permit may be issued, and the period for which a transitional permit may be issued. The Department may also impose conditions on the issuance of a permit or transitional permit in accordance with rules adopted by the Commission. A permit or transitional permit shall be immediately revoked in accordance with G.S. 130A-23(d) for failure of the establishment to maintain a minimum grade of C. A permit or transitional permit may otherwise be suspended or revoked in accordance with G.S. 130A-23.

(b1) A permit shall expire one year after an establishment closes unless the permit is the subject of a contested case pursuant to Article 3 of Chapter 150B of the General Statutes.

(c) If ownership of an establishment is transferred or the establishment is leased, the new owner or lessee shall apply for a new permit. The new owner or lessee may also apply for a transitional permit. A transitional permit may be issued upon the transfer of ownership or lease of an establishment to allow the correction of construction and equipment problems that do not represent an immediate threat to the public health. Upon issuance of a new permit or a transitional permit for the same establishment, any previously issued permit for an establishment in that location becomes void. This subsection does not prohibit issuing more than one owner or lessee a permit for the same location if (i) more than one establishment is operated in the same physical location and (ii) each establishment satisfies all of the rules and requirements of subsection (g) of this section. For purposes of this subsection, "transitional permit" shall mean a permit issued upon the transfer of ownership or lease of an existing food establishment to allow the correction of construction and equipment problems that do not represent an immediate threat to the public health.

(c1) The Commission shall adopt rules governing the sanitation of pushcarts and mobile food units. A permitted restaurant or commissary shall serve as a base of operations for a pushcart. A

mobile food unit shall meet all of the sanitation requirements of a permitted commissary or shall have a permitted restaurant or commissary that serves as its base of operation. Pushcarts or mobile food units that are based from a permitted commissary or restaurant that is located on the premises of a facility which contains at least 3,000 permanent seats shall be allowed to prepare and serve food on the premises. Raw meat, poultry, and fish shall be prepared in a permitted commissary or restaurant in a pre-portioned or ready-to-cook form. Pushcarts or mobile food units that handle raw ingredients shall be equipped with a handwashing sink. All open food and utensils shall be provided with overhead protection or otherwise equipped with individual covers, such as domes, chafing lids, or cookers with hinged lids. Food equipment and supplies shall be located in enclosed areas and protected from environmental contamination when not in operation.

(d) The Department shall charge each establishment subject to this section, except nutrition programs for the elderly administered by the Division of Aging and Adult Services of the Department of Health and Human Services, establishments that prepare and sell meat food products or poultry products, temporary food establishments, limited food services establishments, and public school cafeterias, a fee of one hundred twenty dollars (\$120.00) for each permit issued. This fee shall be reassessed annually for permits that do not expire. The Commission shall adopt rules to implement this subsection. Fees collected under this subsection shall be used for State and local food, lodging, and institution sanitation programs and activities. No more than fifty dollars (\$50.00) of each fee collected under this subsection may be used to support State health programs and activities.

(d1) The Department shall charge a twenty-five dollar (\$25.00) late payment fee to any establishment subject to this section, except nutrition programs for the elderly administered by the Division of Aging of the Department of Health and Human Services, establishments that prepare and sell meat food products or poultry products, temporary food establishments, limited food services establishments, and public school cafeterias, that fails to pay the fee required by subsection (d) of this section within 45 days after billing by the Department. The Department may, in accordance with G.S. 130A-23, suspend the permit of an establishment that fails to pay the required fee within 60 days after billing by the Department. The Department shall charge a reinstatement fee of one hundred fifty dollars (\$150.00) to any establishment that requests reinstatement of its permit after the permit has been suspended. The Commission shall adopt rules to implement this subsection.

The clear proceeds of civil penalties collected pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(d2) A local health department shall charge each temporary food establishment and each limited food services establishment a fee of seventy-five dollars (\$75.00) for each permit issued. A local health department shall use all fees collected under this subsection for local food, lodging, and institution sanitation programs and activities.

(e) In addition to the fees under subsection (d) of this section, the Department may charge a fee of two hundred fifty dollars (\$250.00) for plan review of plans for prototype franchised or chain facilities for food establishments subject to this section. All of the fees collected under this subsection may be used to support the State food, lodging, and institution sanitation programs and activities under this Part.

(e1) Plans for a franchised or chain food establishment that have been reviewed and approved by the Department shall not require further review and approval under this section by any local health department. The local health department may suggest revisions to a reviewed and approved plan to the Department. The local health department shall not impose any of the suggestion revisions on the owner or operator without written approval from the Department.

Amanda J. Reeder
Commission Counsel

(f) Any local health department may charge a fee not to exceed two hundred fifty dollars (\$250.00) for plan review by that local health department of plans for food establishments subject to this section that are not subject to subsection (e) of this section. All of the fees collected under this subsection may be used for local food, lodging, and institution sanitation programs and activities. No food establishment that pays a fee under subsection (e) of this section is liable for a fee under this subsection.

(g) All hotels, motels, tourist homes, and other establishments that provide lodging for pay shall comply with the requirements of G.S. 143-138(b2)(2). Upon notification of a violation of G.S. 143-138(b2)(2) by the code official responsible for enforcing the NC State Building Code (Fire Prevention) in accordance with G.S. 143-138(b2)(4), the local health department is authorized to suspend a permit issued pursuant to this section in accordance with G.S. 130A-23. REQUEST FOR TECHNICAL CHANGE

AGENCY: Commission for Public Health

RULE CITATION: 15A NCAC 18A .1834

DEADLINE FOR RECEIPT: Friday, May 12, 2017

The Rules Review Commission staff has completed its review of this rule prior to the Commission's next meeting. The Commission has not yet reviewed this rule and therefore there has not been a determination as to whether the rule will be approved. You may call this office to inquire concerning the staff recommendation.

In reviewing these rules, the staff determined that the following technical changes need to be made:

In (a), line 4, what do you mean by “interpretation” and “application”? How are they different from “enforcement”?

On line 5, please capitalize “Section”

In (a)(1), so that I’m clear – the informal review must include both the local and State level review in (d) and (e), unless terminated in accordance with Paragraph (c)?

In (b), line 8, what is the “alternative dispute resolution” you are referring to? If it is the “informal review” set forth here, please state that. If it is some other type (perhaps the settlement contemplated in G.S.150B-22), please state what you are referring to.

In (d), lines 13 through 16, please clarify this language. Who is conducting the review here? If the intent is to say that if a Supervisor is conflicted out, the Regional Specialist will conduct the informal review, I think it can be clarified.

On line 17, I recommend “at least within” it with “no later than”

On lines 17 through 19, consider breaking this down into a list.

On line 19, please state who is mailing this.

In (d), line 20, and (e), line 32-33, what do you mean by “shall be binding for the purposes of future inspections”?

In (d), line 21, and (e), line 34, how and under what circumstances will the State Health Director modify these decisions? Guidance on this needs to be in Rule.

In (e), line 22, how can a “representative” of the Supervisor do this? You do not provide any authority for this delegation in (e). Are you saying that a Regional Specialist will be the representative?

Amanda J. Reeder
Commission Counsel
Date submitted to agency: April 28, 2017

In (e), line 24, replace “to be” with “as”

On line 25, please capitalize “State”

Also on line 25, replace “such” with “the”

On line 27, I take it the permit holder will have the address of the Department?

On line 28, do you mean Paragraph (d) of this Rule, rather than (a)?

On lines 30-31, can you not replace “to the permit holder and Environmental Health Supervisor for the county or area where the issue arose” with “the parties”? Or is that too formal?

In (f), line 35, capitalize “State”

What is the purpose of Paragraph (h) on Page 2?

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

1 15A NCAC 18A .1834 is adopted as published in 31:10 NCR 966-974 as follows:

2
3 **15A NCAC 18A .1834 INFORMAL REVIEW PROCESS AND APPEALS PROCEDURE**

4 (a) If a permit holder disagrees with a decision of the local health department on the interpretation, application, or
5 enforcement of the rules of this section the permit holder may:

6 (1) Request an informal review pursuant to Paragraphs (d) and (e) of this Rule; or

7 (2) Initiate a contested case in accordance with G.S. 150B.

8 (b) The permit holder is not required to complete the alternative dispute resolution prior to initiating a contested case
9 in accordance with G.S. 150B.

10 (c) When a petition for a contested case is filed, the informal review process shall terminate.

11 (d) If the permit holder requests an informal review, the request shall be in writing and shall be postmarked or hand
12 delivered to the local health department within seven days of notice of the decision giving rise to the review. The
13 request shall state the issues in dispute. If the inspection giving rise to the informal review was conducted by the
14 Environmental Health Supervisor in the county or area where the lodging establishment is located, or when the county
15 or area has only one Registered Environmental Health Specialist assigned to inspect lodging establishments, the
16 Environmental Health Regional Specialist assigned to that county or area shall conduct the local informal review. As
17 soon as possible, but at least within 30 days of receipt of the request, the person conducting the review shall contact
18 the permit holder, provide that permit holder an opportunity to be heard on the issues in dispute and issue a written
19 decision addressing the issues raised in the appeal. Copies of the decision shall be mailed to the permit holder and to
20 the State Health Director. That decision shall be binding for the purposes of future inspections of the establishment in
21 question unless modified pursuant to Paragraph (e) of this Rule or by the State Health Director.

22 (e) Following receipt of the written decision of the Environmental Health Supervisor or his or her representative
23 issued pursuant to Paragraph (d) of this Rule, the permit holder who initiated the informal review may appeal the
24 resulting decision to an Informal Review Officer designated by the Department to be responsible for final decisions
25 on appeals from throughout the state. Notice of such appeal shall be in writing, shall include a copy of the
26 Environmental Health Supervisor's or his or her representative's decision, and shall be postmarked or hand-delivered
27 to the local health department and to the Department within seven days of receipt of the written decision issued
28 pursuant to Paragraph (a) of this Rule. Within 35 days of receipt of this appeal, the designated Informal Review Officer
29 shall hold a conference in Wake County. At least 10 days prior to the conference, the Informal Review Officer shall
30 provide notice of the time and place of this conference to the permit holder and the Environmental Health Supervisor
31 for the county or area where the issue arose. Within 10 days following the date of the conference, the Informal Review
32 Officer shall issue a written decision addressing the issues raised in the appeal and that decision shall be binding for
33 purposes of future inspections of the establishment in question unless modified pursuant to Paragraph (g) of this Rule
34 or by the State Health Director.

35 (f) If the decision on appeal at the local or state level results in a change in the score resulting from an inspection of
36 an establishment, the regulatory authority shall post a new grade card reflecting that new score.

37 (g) Appeals of the decision of the designated Informal Review Officer shall be in accordance with G.S. 150B.

1 (h) Nothing in this Rule shall impact the right of a permit holder to a reinspection pursuant to Rule .1831 of this
2 Section.
