Subject: Extension for 70I

Amanda:

We are aware of your objection to the Rule in 70I dealing with the reasonable prudent parent standard, and look forward to working with you to make the appropriate correction.

This standard is utilized throughout this subchapter of Rules, and, accordingly, we believe that it would not make sense to attempt to pass the rest of the Rules without this one.

In order to keep these Rules together, so that they will make sense, we'd like to extend the period of review for the remaining Rules in 70I while we address your objection.

Please let me know if you need anything else from me. I can be reached by email, or by phone at (919) [REDACTED]
We appreciate your help as we work to address all concerns with these Rules. Thanks, Nancy
