**Subject:** Request for Extended Period of Review for Rules in 10A NCAC 09

Hi Amber,

Due to the volume of rules and technical change requests, the N.C. Child Care Commission would like to request an extended period of review for rules in 10A NCAC 09 scheduled for the August 2017 meeting. This extension of time will allow the agency time to complete the requested technical changes.

If I can be of further assistance please let me know.

Thank you,  
Dedra
