Re: Extension of the Period of Review for 15A NCAC 02L .0202

Dear Ms. Everett:

At its meeting this morning, the Rules Review Commission extended the period of review for the above-captioned rule in accordance with G.S. 150B-21.10. They did so in response to a request from the agency to extend the period in order to allow additional time to address the requested technical changes.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Amber May  
Commission Counsel
