15A NCAC 08F .0405 Rule Name: RENEWAL OF CERTIFICATION

Commenter Name: Curtis Barwick

Do I agree with the Agency's determination? Yes

I would determine this rule's classification as: undefined

Do I want to submit a written comment on this rule? Yes

My comment type on this rule is: An objection to the rule

Do I want to enter a comment, or submit a file? Enter a comment

My Comment Text: Operators that fail to submit payment within 30 days of the due date should not be required to take and pass an examination. This payment failure has nothing to do with their competencies. I suggest to have a nominal fine added to the renewal.

Agency Response:

This comment concerns the statute authorizing the Rule – NCGS 90A – 47.4(b) which states that an operator who fails to renew the certificate and pay the renewal fee must take and pass the examination for certification in order to renew the certificate. The agency recognizes concerns cited in the comment, and comment will be considered during the readoption process. The agency’s selected determination is “necessary with substantive public interest.”
