In addition, the Commission objected to Rule 16B .1001, finding the Board lacked statutory authority to require that military trained applicants be actively serving in the military in order to qualify for licensure pursuant to G.S. 93B-15.1.

Please respond to this letter in accordance with the provisions of G.S. 150B-21.12. If you have any questions regarding the Commission's action, please let me know.
