#### **Commission for Mental Health**

The Commission objected to Rule 10A NCAC 27G .0504 based on lack of statutory authority, as there does not appear to be any authority for the Commission for Mental Health, Developmental Disabilities and Substance Abuse Services to alter the language of G.S. 122C-64 as set forth in Subparagraph (b)(5) of the Rule.

W. Denise Baker with the agency addressed the Commission.

# **Criminal Justice Education and Training Standards Commission**

All rules were unanimously approved.

## **Sheriffs' Education and Training Standards Commission**

All of the rules were unanimously approved with the following exception:

The Commission objected to Rule 12 NCAC 10B .1901 based on lack of statutory authority to abrogate the statute by requiring the military trained applicant to have a Military Occupational Specialty or equivalent training, testing or completed a military training of program, when both are required by the law. Further, the Rule is unclear what will constitute equivalent experience for this licensure.

#### **Marine Fisheries Commission**

The Commission objected to Rules 21 NCAC 64 .0206, .0219 and .0307 because the agency failed to comply with the Administrative Procedure Act, as it adopted the Rules before the close of the comment period.

The Commission also objected to Rule .0219 on the grounds of ambiguity. It is unclear in Paragraph (d) what the "requirements of the patient site" are.

The Commission additionally objected to Rule .0307 based upon ambiguity, as it is unclear what the Board meant to references to the "Article" in this context, and ambiguity regarding what will constitute "inconsistent and in conflict."

The Commission did not certify Rules 02I .0104, .0203, .0206, .0211, .0212, .0213 and .0306, finding the Department does not have the statutory authority for certain requirements proposed in the amended Rules, including sanctioning individuals or agencies for five years when the statute limits such sanctions to three years.
