Subject: 15A NCAC 02H .1301, .1401-.1405 - May 2022 RRC Meeting

Good afternoon,

If you are receiving this email, it is because you either submitted a written comment or request to speak prior to the March 2022 RRC meeting at which these rules were originally heard. These rules will be on RRC's agenda for the May 19, 2022 meeting. If you submitted a comment or requested to speak prior to the March meeting, your comment or request has been carried over and will be placed before the Commission. I would ask however, that anyone who submitted a request to speak before the March meeting kindly confirm—if you have not already done so—that you continue to wish to be heard.

Thank you, and have a great weekend.

Brian
