Board of Massage and Bodywork Therapy

LOG OF FILINGS (PERMANENT RULES)

Veterans Affairs Commission

The Commission voted to extend the period of review for these Rules in accordance with G.S. 150B-21.10. They did so in response to a request from the Veterans Affairs Commission to extend the period in order to allow the agency to make technical changes and submit the rewritten rules at a later meeting.

Prior to the discussion of the rules from the Veterans Affairs Commission, Commissioner Hemphill recused himself and did not participate in any discussion or vote concerning these rules because his private practice routinely involves veteran's rights.

State Board of Elections

All rules were unanimously approved.

Prior to the discussion of the rules from State Board of Elections, Commissioner Doran recused herself and did not participate in any discussion or vote concerning these rules because she has an open matter before the State Board of Elections.

Medical Care Commission

All rules were unanimously approved.

Environmental Management Commission, Subchapter 02B

The Commission objected to 15A NCAC 02B .0295, finding the agency failed to comply with the Administrative Procedure Act. Specifically, the Commission found that changing “are” to “may” in Subparagraph (l)(6) after publication constitutes a “substantial change” pursuant to G.S. 150B-21.2(g).

The Commission also objected based upon a lack of statutory authority. Specifically, the Commission found that Session Law 2014-95 required the agency to adopt a rule that was substantively identical to the recommended rule text contained in the April 10, 2014 Consolidated Buffer Mitigation Rule Stakeholder Report. The Commission found that the agency did not comply with the statutory mandate because it moved the language that was identified as an Alternative Buffer Mitigation Option in the stakeholder report (located in Paragraph (m)) to an accepted mitigation option in Paragraph (l) of the permanent rule. Therefore, the agency did not act within the statutory authority granted to it by the Session Law.

Karen Higgins with the agency addressed the Commission.

John Hutton with Wildlands Engineering addressed the Commission.

Between reviewing Permanent Rules, Chairman Dunklin introduced OAH extern Jerod Godwin.

Environmental Management Commission, Subchapters 02D and 02Q

All rules were unanimously approved.

Coastal Resources Commission

All rules were unanimously approved.

Veterinary Medical Board

21 NCAC 66 .0209 was unanimously approved.

Building Code Council

All rules were approved with the following exception:

The Commission objected to Rule 2011 NC Electrical Code/Raceways in Wet Locations Above Grade, 300.9 with Commissioners Choi, Currin, Doran, Dunklin, Hemphill, Hyde, and Whitaker voting to adopt staff’s recommendation to object to the rule, and Commissioners Simpson and Walker voting against.

The Commission objected to the Rule for failure to comply with Part 2 of the Administrative Procedure Act, specifically by adopting a rule that differs substantially from a proposed rule published in the Register. The Council published a rule in the NC Register, Volume 29, Issue 18, and proposed the deletion of one sentence and the addition of one sentence. As adopted by the Council and submitted to the Rules Review Commission, the rule did not reflect any of the published proposed changes and added an exception with three requirements. The Commission found that the change made to the text of the rule from the content proposed in the Register to the content as adopted by the Council creates a substantial change pursuant to G.S. 150B-21.2(g).

Barry Gupton with the agency addressed the Commission.
