

REQUEST FOR TECHNICAL CHANGE

AGENCY: Wildlife Resources Commission

RULE CITATION: 15A NCAC 10A .0401

DEADLINE FOR RECEIPT: Wednesday, June 6, 2018

PLEASE NOTE: *This request may extend to several pages. Please be sure you have reached the end of the document.*

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), line 4, consider stating "A written petition requesting rulemaking shall be sent to the Executive Director of the Wildlife Resources Commission,"

And just so I am clear, you only accept mailed petitions and not those that are sent electronically? If so, that's fine, but I did want to check.

Consider beginning (a)(1) through (5) with articles, like "the"

In (a)(2), line 8, insert a comma after "group"

In (a)(3), line 10, what do you mean by "identification"? A rule number?

Also on line 10, insert a comma after "amended"

In (b), line 15, insert a comma after "photographs"

On line 16, replace "which" with "that"

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.
