Seth,

My apologies for failing to highlight the post-publication changes. I've corrected that in the attached versions. I've also updated the CFR references per your guidance.

We would like to move forward with consideration of all rules except 06H .0102 at the meeting this Thursday. I'll be available online if there are questions.

Thanks so much,

Ryan

Ryan,

Thanks for getting these to me. I have no problem recommending extension on Rule 06H. 0102.

For the other three rules, two issues:

1. Please highlight the post publication changes and add "with changes" to the intro line. See an example here: <https://www.oah.nc.gov/documents/rules/permanent-amendment-text-added-after-publication/download?attachment>
2. On the incorporation of CFR, the Commission has previously asked for more precise links than just to the ecf generally. Looking at what you are doing, I believe that these would be the correct links placed in the appropriate rules:

<https://www.ecfr.gov/current/title-2/section-200.1>

<https://www.ecfr.gov/current/title-34/part-300/subpart-A>

<https://www.ecfr.gov/current/title-7/part-210>

That said, given the weather situation, if you need an extension past this meeting for all the rules, I don't think that would be a problem. Please get me the updated rules or let me know about the extension by the end of the day Tuesday.

Seth,

Thank you for your assistance with the incorporation question! Attached is the RFC with agency responses, along with copies of rules that have been revised.

We would like to delay RRC review of Rule 06H. 0102 to allow staff time to study this further. The changes that may be necessitated would likely be substantive and require further approval by the State Board of Education. The other rules can move forward without it.

Best,

Ryan

Ryan,

G.S. 150B-21.6 has requirements for incorporation of material by reference, which is what you are doing here.  
[https://www.ncleg.gov/EnactedLegislation/Statutes/PDF/BySection/Chapter\\_150B/GS\\_150B-21.6.pdf](https://www.ncleg.gov/EnactedLegislation/Statutes/PDF/BySection/Chapter_150B/GS_150B-21.6.pdf)

The style guide, while potentially out of date in some places, has a good example of language to use for incorporation in Chapter 11: <https://www.oah.nc.gov/documents/rules/administrative-rule-style-guide-updated-april-2021/download>. Most agencies rely on some version of that language when they incorporate by reference.

The incorporation only has to be done once, as long as it is clear what you are doing. For example, DOL has a rule with all their incorporations: <http://reports.oah.state.nc.us/ncac/title%2013%20-%20labor/chapter%2007%20-%20office%20of%20occupational%20safety%20and%20health/subchapter%20a/13%20ncac%2007a%20.0301.pdf>.

You can also do it individually as items come up. A recent EMC (15A NCAC 02B .0226) example does this:  
<https://www.oah.nc.gov/emc-final-revised-rules-1/open>

For your rules, the first question is are these sections of the CFR already incorporated somewhere in your rules. If so, I just need to know where that is. If they are not, you'll need to do it in these rules. It is up to the agency how much they want to incorporate, either each specific CFR rule which will require its own language, or you can do a whole part of the CFR at once (assuming you want to incorporate the whole thing).

Hopefully this makes sense. Happy to discuss it further with you next week.

Hello Seth,

Thank you for your feedback. For two of the rules, you included the following question:

*Have you incorporated the various CFR provisions referenced here in another rule? If so, where?*

Could you elaborate on this question? This the first rule I've done that has relied on authority from federal law, so if I've missed something in the APA or RRC rules related to this, I'd appreciate your guidance on that. We have several more rules in the pipeline that reference federal law so I'd like to be proactive in revising those as well.

Ryan
