There generally are not any questions on repeals.

Thank you.

I may have a conflict in attending the March meeting, since we also have a contested case hearing scheduled in Jacksonville that day. Attendance of the rulemaking coordinator or counsel may not be necessary since this is a simple repeal, based on an amendment to the authorizing statute. That said, we certainly want to be available for questions if needed. If I, or a colleague, can attend via Webex, is there particular steps we need to take before the meeting to let you know that we available remotely for questions?

Thanks,
