Note that the prior version had the wrong example link on the first page and left off the date in the footer. Attached is an RFC correcting those two issues.

Subject: State Board of Examiners of Electrical Contractors Request for Changes

Good afternoon,

I'm the attorney who reviewed the Rules submitted by the State Board of Examiners of Electrical Contractors for the February 2023 RRC meeting. The RRC will formally review these Rules at its meeting on Thursday, February 16, 2023, at 9:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an invite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get invites out to them as well.

Attached are Requests for Changes Pursuant to G.S. 150B-21.10. Please submit the revised Rules and forms to me via email, no later than 5 p.m. on February 10, 2023.

Also, I recognize that 21 NCAC 18B .0308 has been here before and is related to several interlocking statutes and rules. I am happy to discuss it (or any of the other rules) by phone prior to your responses if further clarification would be helpful.
