Ms. Everett,

Good morning. I'm writing in response to a memo from the Environmental Management Commission sent to the RRC on March 19, 2025. RRC staff intends to recommend that the periodic review of rules report for 15A NCAC 02A be rescheduled from the current deadline of December 2026 to December 2025. The RRC will vote on your agency's request at our next regularly scheduled meeting, April 24, 2025.
