**Subject:** RE: EMC 02P Request for Changes - August 2022 RRC

Hi Brian,

We are kindly requesting an extension for the period of review for 15A NCAC 02P. This request will provide additional time for staff to address your technical change requests.

Beginning on page 6 of your technical change document, we received requests for .0401 and on page 7 there are requests for .0401. Did you mean these requests on page 7 pertain to Rule .0402 since .0401 does not have a Subparagraph (b)(3)?

Thanks.
