Sorry for the ambiguity. I have completed my review of rule 15A NCAC 02Q .0802 and anticipate recommending approval at the June RRC meeting. If something changes, I will let you know.

Hi Seth,

Thanks for reviewing the rule. Will you email us after reviewing the rule that you will be recommending approval? Sorry, little confused by your first sentence and the second to last sentence.

Katherine and I will be on leave next week, please include future correspondence to Carrie Pickett and Randy Strait copied here as well.

Best,

Good afternoon,

I'm the attorney who reviewed the Rule submitted by the Environmental Management Commission for the June 2024 RRC meeting. The RRC will formally review these Rules at its meeting on Wednesday, June 26, 2024, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an invite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get invites out to them as well.

After my review, I anticipate recommending that the RRC approve this rule. If anything comes up between now and the meeting, I will let you know.
