Mr. Miller,

I hope this message finds you well. I'm writing to sign up to make an oral statement at the Rules Review Commission meeting on April 28, 2026. I plan to speak in opposition to the Environmental Management Commission's rule authorizing the construction of sources of air pollution before obtaining an air permit, 15A NCAC 02Q .0114.

Pursuant to 26 NCAC 05 .0105(d), I've copied the rulemaking coordinator for the agency proposing this rule.

See below for my contact information. Please let me know if you need any additional information at this time.

Thank you,

**Caroline Cress**
