Re: Extension of the period of review for 02 NCAC 42 .0201

Dear Ms. Hayworth:

This letter will serve as the written notice of extension pursuant to G.S. 150B-21.13.

At its meeting on June 26, 2025, the Rules Review Commission (RRC) extended the period of review for the above captioned Rule on the RRC's May agenda. The RRC extended the period of review at your request to afford the Gasoline and Oil Inspection Board further time to comply with N.C.G.S. 119-26.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules, or call a public hearing on the same, within 70 days; however, the RRC has extended the review of this Rule for 23 days until its July 2025 meeting.

Based on our conversation after today's meeting, I feel confident this matter will be resolved at the July RRC meeting. If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ Travis Wiggs
