Good morning,

I didn't receive the information required to be submitted to the RRC (see 26 NCAC 05 .0212) by the end of last week. We must have the information by tomorrow (4/22/25) at 5pm for the RRC to vote on your agency's readoption deadline at the April 24, 2025 meeting. The RRC's vote on your agency's readoption deadline can be done in May, if necessary.

Please advise. Thank you.

Good morning,

Just a reminder that the deadline is this Friday for your agency. We need this information as soon as possible if the RRC is to vote on this next Thursday.

Thank you.

Ms. Grantham,

Please create a timeline working with a deadline of July 1, 2027. Your timeline should be an itemized breakdown of when your agency intends to complete each step in the readoption process. This is essentially following the procedures for adopting a permanent rule in 150B-21.2. The timelines can be projections of when certain actions will be taken by your Board. Please be as specific as possible with dates, but I realize circumstances may change and unforeseeable events may arise. Please communicate to me any unexpected changes when they occur.

All rules your agency designated as “Necessary” will need to be readopted during this process. I have attached an example of a proposed readoption timeline that was submitted by a different agency with a deadline of October 1, 2027.

The documentation for your agency’s planned timeline for readoption can be sent to me in an email. Let me know if you have any further questions.

Thanks,

Mr. Wiggs,
I apologize for my lack of understanding, but I have read 26 NCAC 05 .0212 and am not clear what my next step should be. Can you please tell me specifically?
Jennifer Grantham

Subject: FW: Periodic Review - 21 NCAC 20

Good afternoon,

The attached periodic review report has been finalized. The next step is to set a deadline for the readoption of the “Necessary” rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC’s request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is April 18, 2025. As a starting point, I would recommend a July 1, 2027, readoption deadline, but I am open to considering a different recommendation based on the needs of

your agency.

Please reply to confirm receipt of this email. Let me know if you have any questions. Thank you.
