Lack of regulations codified in Rule has made it difficult to enact and enforce regulations on vessel liveries, leading to lack of action against liveries and increased safety concerns among lake users. A temporary rule was adopted to address concerns during the boating season. Permanently codifying vessel livery safety requirements in Rule will clarify standards for livery companies, facilitate and streamline enforcement activities, and improve public safety. The proposed changes are identical to the temporary rule currently in effect and are identified with italicized text.

Explain:</b> The North Carolina Read to Achieve Program is part of the Excellent Public Schools Act, which became law in July 2012 and was implemented in all North Carolina public schools at the beginning of the 2013-2014 school year. This rule was first enacted in July 2014 to add additional substantive and procedural requirements for public school units as part of the program's implementation. The proposed amendments further clarify various aspects of the rule and adjust the due date for submitting alternative assessments to DPI.
