Mr. Wiggs – I'm glad to do so – but just to confirm, is highlighting requested for rules by temporary <u>adoption</u> with changes from publication? The examples on the RRC website available here seemed to suggest that highlighting is not made under such circumstances: https://www.oah.nc.gov/rule-format-examples#RuleFormatExamplesforPublicationintheNCAdministrativeCode-6054

Again, I'm glad to do so, if that is the preference.

Request for Changes Pursuant to N.C. Gen. Stat. § 150B-21.10

Staff reviewed these Rules to ensure that each Rule is within the agency's statutory authority, reasonably necessary, clear and unambiguous, and adopted in accordance with Part 2 of the North Carolina Administrative Procedure Act. Following review, staff has issued this document that may request changes pursuant to G.S. 150B-21.10 from your agency or ask clarifying questions.

Questions contained herein suggest that the rule as written is unclear or there is some ambiguity. If this document includes questions and you do not understand the question, please contact the reviewing attorney to discuss. Failure to respond may result in a staff opinion recommending objection.

Staff may suggest the agency "consider" an idea or language in this document. This is in no way a formal request that the agency adopt the idea or language but rather is offered merely for the agency's consideration which the agency may find preferable and clarifying.

To properly submit rewritten rules, please refer to the following Rules in the NC Administrative Code:

- Rule 26 NCAC 02C .0108 The Rule addresses general formatting.
- Rule 26 NCAC 02C .0404 The Rule addresses changing the introductory statement.
- Rule 26 NCAC 02C .0405 The Rule addresses properly formatting changes made after publication in the NC Register.

Note the following general instructions:

- 1. You must submit the revised rule via email to <u>oah.rules@oah.nc.gov</u> and copy RRC Counsel. The electronic copy must be saved as the official rule name (XX NCAC XXXX).
- 2. For rules longer than one page, insert a page number.
- 3. Use line numbers; if the rule spans more than one page, have the line numbers reset at one for each page.
- 4. Do not use track changes. Make all changes using manual strikethroughs, underlines and highlighting.
- 5. You cannot change just one part of a word. For example:
 - Wrong: "aAssociation"
 - Right: "association Association"
- 6. Treat punctuation as part of a word. For example:
 - Wrong: "day; and"
 - Right: "day, day; and"
- 7. Formatting instructions and examples may be found at: www.ncoah.com/rules/examples.html

If you have any questions regarding proper formatting of edits after reviewing the rules and examples, please contact the reviewing attorney.

<u>PLEASE NOTE</u>: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

On Form 0500, Box 8, I see that your agency submitted a request for consultation on August 13, 2025. Has a consultation occurred for this Rule? G.S. 12-3.1 requires that any establishment of a fee in rule be subject to the consultation, notwithstanding any other law. In addition, if you are changing other fees, then a consultation is required for those rules, as well. Please note, the RRC can approve this Rule, but the rule will not become effective until the consultation requirement has been fulfilled. (See G.S. 150B-21.3(c1))

Pursuant to GS 12-3.1, the Board submitted a request for consultation to the Joint Legislative Commission on Governmental Operations, the Commission Assistant, and the Fiscal Research Division of the General Assembly on August 13, 2025. To date, the Commission has not held a meeting to provide the consultation. We understand that, pursuant to GS 12-3.1(a1), the consultation requirement will be satisfied in the absence of said meeting upon the 90 day following the publication of the notice of text. The publication date for proposed amendments to 21 NCAC 34A .0201 was August 19, 2025. The 90th day following August 19, 2025 is November 17, 2025.

We have revised the proposed effective date of the rule to November 17, 2025.

In (e), lines 34-35, what authority are you relying upon for this?

S.L. 2025-76 amended GS 90-210.25(a)(5)(f) to provide as follows: "The Board shall cause to be established and offered to the licensees, each calendar year, at least eight hours of <u>Board-sponsored</u> continuing education courses. Board may charge licensees attending these courses a reasonable registration fee <u>not to exceed fifty dollars (\$50.00)</u> in order to meet the expenses thereof . . . "

In reviewing this Rule, the staff recommends the following changes be made:

In (a) and elsewhere, is "duly certified resident trainee" defined in a rule or law? If so, please incorporate or cross-reference the definition. If not, please define it or cite the Rule describing the requirements for how an individual obtains that certification.

Revised to remove the term "duly certified" and to include statutory definition of "resident trainee"

Line 5, add a comma after "directing". Also, is "learning experience" defined? If so, please incorporate or cross-reference the definition. If not, please define it.

Revised accordingly and the term "learning experiences" has been removed

Lines 6-7, add a comma after "director" and after "directing". Also, delete "respectively" on both lines.

Revised accordingly

In (b)(1) and (2), lines 10 and 13, please delete "The licensee shall".

In reviewing this Rule, the staff recommends the following technical changes be made:

Line 7, please double-check G.S. 90-210.25(a2)(2)a speaks to "business office" use.

90-210.25(a2)(2)a requires an unaffiliated practitioner to maintain all of the licensee's business records at a location made known to the Board and that is available for inspection by the Board under the same terms and conditions as the business records of a licensed funeral establishment. 21 NCAC 34B .0310(a), as promulgated, prohibits funeral services to be conducted at that office.

Line 11, is the "form provided by the Board" on the website? If so, please cite it.

Revised to clarify that the form referenced in Paragraph (b) is the same form referenced in Paragraph (c), which already provides that the form is available on the Board's website.

Page 2, (15), lines 7-8, please cite the specific C.F.R. intended.

Revised accordingly

Line 19, it appears a period was not intended after "true". Please consider breaking (P) into two sentences.

It appears that this request for technical correction is in reference to Rule 21 NAC 34B .0313. We have revised said rule accordingly.

Line 36, shouldn't "funeral practice" be capitalized? Should "Services" be added?

It appears that this request for technical correction is in reference to Rule 21 NAC 34B .0313. We have revised said rule for clarity.

In (3), please specify what laws, regulations, and rules are being referenced through Page 3, line 3.

Page 3, lines 6-7, beginning with "work" through "judgment" is unclear and ambiguous. Please delete that language or rephrase it.

It appears that this request for technical correction is in reference to Rule 21 NCAC 34B .0313. We have revised said rule accordingly.

In the History Note, do not cite to G.S. 90-210.20, as that is not rulemaking authority. Please note the same question for G.S. 90-210.27A(g). And why are you citing to G.S. 90-210.25(e)(1)?

The citation to G.S. 90-210.20 has been removed from Rule 21 NCAC 34B .0310.

Neither G.S. 90-210.27A(g) nor 90-210.25(e)(1) are cited as authority for either 21 NCAC 34B .0310 or 21 NCAC 34B .0313.

Subject: Temporary Rules-RRC October 2025

Good morning,

I'm the attorney who's been assigned to review the temporary rules submitted by your agency for review at the October 2025 Rules Review Commission meeting. G.S. 150B-21.1(a4) requires a written statement of your findings of need stating, "why adherence to the notice and hearing requirements of G.S. 150B-21.2 would be contrary to the public interest and why the immediate adoption of the rule is required." I don't see this analysis on Form 0500 that was submitted with each temporary rule.

I understand your agency is relying on S.L. 2025-76 as authority to promulgate these rules. However, I don't see where the S.L. imposes any time constraints ("may adopt temporary rules to implement the provisions of this act.") for the adoption of temporary rules. Why are the notice and hearing requirements of 150B-21.2 "contrary to the public interest" and why is "immediate adoption of the rule(s) required?

Please review 150B-21.1(b1)(b2) and reply to this email with the necessary information at your earliest convenience.

Thanks,

Travis C. Wiggs

Mr. Wiggs – I'm glad to provide a more detailed explanation, as set forth below, for each proposed temporary rule, addressing both questions that you presented: (1) Why are the notice and hearing requirements of 150B-21.2 "contrary to the public interest"? and (2) Why are "immediate adoption of the rule(s) required"?

21 NCAC 34A .0122 (Character Affidavit) (repeal)

o GS 90-210.26 was repealed by SL 2025-76. As such, the NC General Assembly has removed the ability of applicants to show evidence of good moral character by submission to the Board of the affidavits of three persons who have been acquainted with the applicant for three years immediately preceding the submission of the affidavit. Because the statutory authority for the promulgation of 21 NCAC 34A .0122 has been eliminated, immediate repeal of the rule is required. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to repeal the rule until early 2026, resulting in inconsistency between the rule and the statute. Therefore, the Board seeks repeal of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34A .0201 (Fees and Other Payments) (amendment)

- SL 2025-76 created new credentials to be issued by the Board for which licensure fees are to be assessed. Specifically, the NC General Assembly has directed the Board to begin issuing branch funeral establishments and transportation service permits to eligible applicants, for which a license fee may be assessed. The NC General Assembly also codified in SL 2025-76 the Board's authority to assess a fee for Board-sponsored continuing education. Immediate amendment to 21 NCAC 34A .0201 is required to allow the Board to establish a codified application process for these new credentials, as soon as possible. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to establish a codified application process until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.
- 21 NCAC 34B .0103 (Authorized Practice: Supervision) (amendment)

SL 2025-76 amended GS § 90-210.25(a)(4)a. to reduce the amount of time during which a licensee must be licensed by the Board before serving as a supervisor for a resident trainee registered with the Board. Prior to the enactment of SL 2025-76, a licensee was required to be licensed to practice by the Board for a minimum of five years before serving as a supervisor. SL 2025-76 reduced the period of necessary licensure to one year. Immediate amendment to 21 NCAC 34B .0103 is required to reflect the reduction in time mandated by SL 2025-76; otherwise, the existing rule will be inconsistent with the requirements set forth in statute. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to remove the inconsistency in the law until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0105 (Funeral Director Trainee Application Form) (amendment)

o SL 2025-76 amended GS § 90-210.25(a)(4)a. to reduce the amount of time during which a licensee must be licensed by the Board before serving as a supervisor for a resident trainee registered with the Board. Prior to the enactment of SL 2025-76, a licensee was required to be licensed to practice by the Board for a minimum of five years before serving as a supervisor. SL 2025-76 reduced the period of necessary licensure to one year. Immediate amendment to 21 NCAC 34B .0105 is required to reflect the reduction in time mandated by SL 2025-76; otherwise, the existing rule will be inconsistent with the requirements set forth in statute. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to modify its trainee application form to reflect the new eligibility criteria set forth in SL 2025-76 until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0106 (Embalmer Trainee Application Form) (amendment)

o SL 2025-76 amended GS § 90-210.25(a)(4)a. to reduce the amount of time during which a licensee must be licensed by the Board before serving as a supervisor for a resident trainee registered with the Board. Prior to the enactment of SL 2025-76, a licensee was required to be licensed to practice by the Board for a minimum of five years before serving as a supervisor. SL 2025-76 reduced the period of necessary licensure to one year. Immediate amendment to 21 NCAC 34B .0106 is required to reflect the reduction in time mandated by SL 2025-76; otherwise, the existing rule will be inconsistent with the requirements set forth in statute. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to modify its trainee application form to reflect the new eligibility criteria set forth in SL 2025-76 until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0107 (FSL Trainee Application Form) (amendment)

SL 2025-76 amended GS § 90-210.25(a)(4)a. to reduce the amount of time during which a licensee must be licensed by the Board before serving as a supervisor for a resident trainee registered with the Board. Prior to the enactment of SL 2025-76, a licensee was required to be licensed to practice by the Board for a minimum of five years before serving as a supervisor. SL 2025-76 reduced the period of necessary licensure to one year. Immediate amendment to 21 NCAC 34B .0107 is required to reflect the reduction in time mandated by SL 2025-76; otherwise, the existing rule will be inconsistent with the requirements set forth

in statute. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to modify its trainee application form to reflect the new eligibility criteria set forth in SL 2025-76 until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0120 (Trainee Final Affidavits) (amendment)

SL 2025-76 amended GS § 90-210.25(a)(4) to now require a licensed supervisor to submit to the Board an affidavit "attesting to the trainee's competencies on a form prescribed by the Board by rule." Immediate amendment to 21 NCAC 34B .0120 is required to codify the substance of said affidavit, as directed by the General Assembly. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to provide its regulated public with a codified process to submit the statutorily mandated affidavits. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0211 (National Board Certificate) (amendment)

SL 2025-76 amended GS § 90-210.25(a)(1), (2), and (3) to increase from three years to five years the time during which passing scores on required examinations may be accepted by the Board to establish eligibility for licensure. Immediate amendment to 21 NCAC 34B .0211 is required to reflect this increase in time. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to remove the inconsistency in the law until early 2026, causing confusion among the Board's regulated public. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

21 NCAC 34B .0310 (Practice of Funeral Service or Funeral Directing Not as an Owner, Employee, or Agent of a Licensed Funeral Establishment) (amendment)

o SL 2025-76 amended GS § 90-210.25(a2)(2) by modifying the eligibility criteria necessary to attain an unaffiliated practice permit from the Board. Immediate amendment to 21 NCAC 34B .0310 is required to modify the substance of the unaffiliated practice permit applications offered by the Board, so that the substance of the applications is consistent with the new statutory eligibility requirements. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to offer applications for an unaffiliated practice permit that reflect current statutory licensure requirements, causing confusion about the Board's regulated public.

• 21 NCAC 34B .0313 (Procedures for Provisional Licensure) (amendment)

SL 2025-76 amended GS § 90-210.27(e) to eliminate the requirement that a provisional licensee be subject to the same supervision requirements as a resident trainee registered with the Board. SL 2025-76 also eliminated the cap on the amount of online instruction that a provisional licensee may take on an annual basis. Immediate amendment to 21 NCAC 34B .0313 is required to reflect the elimination of the supervision requirement and the online continuing education cap, as the Board no longer has statutory authority to include these provisions in 21 NCAC 34B .0313. Moreover, SL 2025-76 amended GS § 90-

210.25(a)(5)(h) to allow criminal background checks to be provided by either the NC Department of Public Safety or a third-party criminal background check vendor, instead of only the NC Department of Public Safety. Immediate amendment to 21 NCAC 34B .0313 is required to reflect this change in submission of criminal background checks. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would prevent the Board from removing provisions in Rule 21 NCAC 34B .0313 that no longer are supported by statute until early 2026.

• 21 NCAC 34B .0408 (Continuing Education Program) (amendment)

The NC General Assembly codified in SL 2025-76 the Board's authority to assess a fee for Board-sponsored continuing education. Immediate amendment to 21 NCAC 34AB .0408 is required to codify this new statutory authority in rule. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to establish a codified process for its Board-sponsored continuing education offerings until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76

21 NCAC 34B .0502 (Application Form and Equivalent Examinations for Reciprocal License) (amendment)

SL 2025-61 amends GS 93B-15.3, which provides a new pathway for licensure for individuals licensed in neighboring states. Immediate amendment to 21 NCAC 34AB .0502 is required to modify the substance of the Board's application for reciprocal licensure, so that the Board is obtaining all information necessary to ascertain an applicant's eligibility for reciprocal licensure, either under GS 93B-15.3 or GS 90-210.25(b). Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay until early 2026 the ability of the Board to gather information necessary to ascertain licensure eligibility under the newly amended GS 93B-15.3.

21 NCAC 34B .0608 (Application Form for Funeral Establishment Permit and Branch Establishment Permit) (amendment)

SL 2025-76 creates new licensure type for branch establishments, which is defined in GS 90-210.20(4) as "a funeral establishment that serves as an ancillary facility to a principal funeral establishment, which is not required to contain a preparation room pursuant to G.S. 90-210.27A(a)." Immediate amendment to 21 NCAC 34AB .0608 is required to establish a codified application process for applicants seeking a branch establishment permit. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to offer a codified application process to applicants until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0610 (Funeral Establishment Permit and Branch Establishment Renewal Form) (amendment)

SL 2025-76 creates new licensure type for branch establishments, which is defined in GS 90-210.20(4) as "a funeral establishment that serves as an ancillary facility to a principal funeral establishment, which is not required to contain a preparation room pursuant to G.S. 90-210.27A(a)." Immediate amendment to 21 NCAC 34AB .0610 is required to

establish a codified application process of applicants seeking renewal of a branch establishment permit. All Board licenses and permits must be renewed on or before December 31 of each calendar year. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to offer a codified renewal application process to applicants until early 2026, and after the deadline for licensure renewal for the 2026 calendar year. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0617 (Practicing During Disasters) (amendment)

o SL 2025-76 modified GS 90-210.27A(a1) to increase the time during which a funeral establishment may obtain a waiver of the requirements set forth in GS 90-210.27A(a) and (c), when the funeral establishment is destroyed by fire, weather event, or other natural disaster. 21 NCAC 34B .0617 as currently written is obsolete, in light of the amendments to GS 90-210.27A(a1), and immediate amendment is necessary to eliminate inconsistencies in the law. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to resolve these inconsistencies until early 2026, thereby causing confusion among the Board's regulated public. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0618 (Practicing During Emergencies) (repeal)

o SL 2025-76 modified GS 90-210.27A(a1) to increase the time during which a funeral establishment may obtain a waiver of the requirements set forth in GS 90-210.27A(a) and (c), when the funeral establishment is destroyed by fire, weather event, or other natural disaster. 21 NCAC 34B .0618 as currently written is obsolete, in light of the amendments to GS 90-210.27A(a1), and immediate amendment is required to eliminate inconsistencies in the law. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to resolve these inconsistencies until early 2026, thereby causing confusion among the Board's regulated public. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

21 NCAC 34B .0801 (Definitions) (amendment)

SL 2025-76 modified GS 90-210.25(c)(4) to mandate that "no person, firm, or corporation shall conduct, maintain, manage, or operate a business engaged in the transportation or removal of a dead human body unless a removal and transportation permit for that business has been issued by the Board and is conspicuously displayed in the removal vehicles of that business." Immediate amendment to 21 NAC 34B .0801 is required to define the newly created licensure type of Transportation Service Permit, as set forth in SL 2025-76. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to define this newly-created licensure type until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0802 (Initial Transporter Permit Application Form) (amendment)

o SL 2025-76 modified GS 90-210.25(c)(4) to mandate that "no person, firm, or corporation shall conduct, maintain, manage, or operate a business engaged in the transportation or

removal of a dead human body unless a removal and transportation permit for that business has been issued by the Board and is conspicuously displayed in the removal vehicles of that business." Immediate amendment to 21 NAC 34B .0802 is required to modify the substance of the application for individual transporters to now require disclosure of the permit number of the Transportation Service for which the applicant works. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to verify that individual transporters are working for a licensed transportation service until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0803 (Transporter Permit Renewal Application Form) (amendment)

SL 2025-76 modified GS 90-210.25(c)(4) to mandate that "no person, firm, or corporation shall conduct, maintain, manage, or operate a business engaged in the transportation or removal of a dead human body unless a removal and transportation permit for that business has been issued by the Board and is conspicuously displayed in the removal vehicles of that business." Immediate amendment to 21 NAC 34B .0803 is required to modify the substance of the renewal application for individual transporters to now require disclosure of the permit number of the Transportation Service for which the applicant works. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to verify that individual transporters are working for a licensed transportation service until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0807 (Initial Transportation Service Permit Application Form) (adoption)

SL 2025-76 modified GS 90-210.25(c)(4) to mandate that "no person, firm, or corporation shall conduct, maintain, manage, or operate a business engaged in the transportation or removal of a dead human body unless a removal and transportation permit for that business has been issued by the Board and is conspicuously displayed in the removal vehicles of that business." Immediate amendment to 21 NAC 34B .0807 is required to establish a codified application process for transportation service applicants. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to establish a codified application process for transportation service applicants until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34B .0808 (Transportation Service Permit Renewal Application Form) (adoption)

SL 2025-76 modified GS 90-210.25(c)(4) to mandate that "no person, firm, or corporation shall conduct, maintain, manage, or operate a business engaged in the transportation or removal of a dead human body unless a removal and transportation permit for that business has been issued by the Board and is conspicuously displayed in the removal vehicles of that business." Immediate amendment to 21 NAC 34B .0808 is required to establish a codified renewal application process for transportation service applicants. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to establish a

codified renewal application process for transportation service applicants until early 2026, which would occur after the 2026 renewal cycle concludes. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34C .0101 (Election to Crematory Authority) (repeal)

O SL 2025-76 repealed GS 90-210.122, which was the enabling statute for the creation of the North Carolina Crematory Authority. 21 NCAC 34C .0101, as currently written, sets forth the process by which the Board shall conduct elections to the Crematory Authority. Immediate repeal of 21 NAC 34C .0101 is required because the rule now is obsolete and the Board no longer has statutory authority for said rule. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to repeal a rule that no longer is consistent with statute. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

• 21 NCAC 34D .0305 (Transfer of Trust Funds to Insurance Funded Product) (adoption)

SL 2025-76 modified GS 90-210.63(b) such that now a funeral contract purchaser or a funeral contract beneficiary, upon the death of the purchaser, may direct the substitution of a preneed licensee, which may use the transferred trust funds for the purchase of a prearrangement insurance policy. Prior to the enactment of SL 2025-76, transferred trust funds were required to remain held in trust. Immediate adoption of 21 NAC 34D .0305 is required to provide a codified process by which the preneed licensee shall notify the Board of the transfer of preneed funds. Providing the notice and hearing requirements set forth in GS 150B-21.2—as opposed to the notice and hearing requirements that the Board provided to the regulated public consistent with GS 150B-21.1—would delay the ability of the Board to codify the process by which such transfers must be made known to the Board until early 2026. Therefore, the Board seeks amendment of this rule by temporary procedure, as authorized by Section 5.1 of SL 2025-76.

Thank you.

Thank you for the reply.

Is your reply below the complete answer to both questions presented?

- 1. Why are the notice and hearing requirements of 150B-21.2 "contrary to the public interest"? and
- 2. Why are "immediate adoption of the rule(s) required"?

Mr. Wiggs – Thank you for the email, and for the opportunity to clarify the bases for which the Board is seeking adoption of the temporary rules filed on October 8.

SL 2025-76 substantially modified the Board's Practice Act by, among other things, modifying the eligibility requirements for certain existing types of licensures and creating new types of licensure. The Board is seeking adoption of the temporary rules that will:

- Codify the contents of initial applications and renewal application, which will reflect the new standards for licensure eligibility, as set forth in SL 2025-76;
- Set the licensure fees for the new license types, for which the Board is ready to start issuing; and
- Modify existing rules that currently are inconsistent with certain provisions of the Practice Act, as modified by SL 2025-76.

The Board's regulated public is required to renew licenses on or before December 31 of each year, and the Board is seeking adoption / amendment of rules on a temporary basis to make sure that the renewal applications, which will be rolled out within the next month, are in line with the new statutory requirements for licensure eligibility.

Thank you.

Subject: Temporary Rules-RRC October 2025

Good morning,

I'm the attorney who's been assigned to review the temporary rules submitted by your agency for review at the October 2025 Rules Review Commission meeting. G.S. 150B-21.1(a4) requires a written statement of your findings of need stating, "why adherence to the notice and hearing requirements of G.S. 150B-21.2 would be contrary to the public interest and why the immediate adoption of the rule is required." I don't see this analysis on Form 0500 that was submitted with each temporary rule.

I understand your agency is relying on S.L. 2025-76 as authority to promulgate these rules. However, I don't see where the S.L. imposes any time constraints ("may adopt temporary rules to implement the provisions of this act.") for the adoption of temporary rules. Why are the notice and hearing requirements of 150B-21.2 "contrary to the public interest" and why is "immediate adoption of the rule(s) required?

Please review 150B-21.1(b1)(b2) and reply to this email with the necessary information at your earliest convenience.

Thanks,
