**Attachments:** 13 NCAC 18 .0101 - .0110 final.docx

**Importance:** High

Attached please find our revised repeal. The repeal effective date was originally June 1, 2023 (when we thought we had to go through the regular rulemaking process). Jill Cramer has stated that she does not have an issue with changing the date of the repeal because the Act has been repealed. Please let me know if I need to change that date, and what date to change it to.

Please let me know if you any questions.

Thank you.

Clarification question:

Some of the rules of this chapter have differing history notes. Please advise if DOL needs to set out those rules with different history note or simply include them as one, as is referenced in the example you provided.

Thank you.
