Good afternoon Bill,

Pursuant to 26 NCAC 05 .0115, EXTENSIONS OF THE PERIOD FOR REVIEW, the agency is requesting an extension for the period of review for the Marine Fisheries Commission's rules 15A NCAC 03O .0601-.0606. to respond to Requests for Technical Changes and make rule revisions. This will allow staff additional time to work on these remaining rules. The rules have connectivity to one another so it is necessary to keep them together throughout the review process. We would appreciate the recommendation for the extension request.

Thank you!

Have a nice weekend!
