EXTERNAL SENDER

Hi Ms. Harris,

The rule did receive an extension at the September meeting, and will be taken up at the November meeting. The agency's responses to staff's requests for changes are due November 1, 2023, and once received, I will likely follow up with more requests and then make my recommendation to RRC.

If you or anyone else would like to submit written comments or speak at the meeting, you're free to do so, as long as you're in compliance with our rules on written comments (26 NCAC 05 .0103) and oral comments (26 NCAC 05 .0105).

Thanks,
Brian

Hi Brian,

I hope all is well. Quick question regarding 10A NCAC 13F .0702. It's my understanding that this rule and others received an extension of the period of review. I know these were previously a non-action item on the last RRC agenda. What's left in the process? Is there going to be an opportunity for comments/public hearing?

Please let me know. I look forward to hearing from you!

Best,
