The Commission objected to 21 NCAC 12 .0204, .0503, and .0504 in accordance with G.S. 150B-21.10.

Specifically, the Commission objected to the rules finding that the Board lacked the statutory authority to require financial statements be prepared by certified public accountants.

Henry Jones from the Jordan Price Law Firm, representing the NC Society of Accountants, addressed the Commission.

Eva Frongello from the Smith Anderson Law Firm, representing the NC Association of Certified Public Accountants, addressed the Commission.

Commissioner Poley left the meeting after the Electrical Code rules were approved by the Commission, and did not participate in any discussion or votes for the remainder of the agenda.

All other Building Code Council rules were unanimously approved with the following exceptions:

The Commission objected to the 2018 Residential Code Table N1102.1.4 and the 2018 Energy Conservation Code Table R402.1.4 for failure to comply with the APA, as the agency did not publish these Rules in the NC Register as required by G.S. 150B-21.2. The Commission objected to the 2018 Residential Code Table N1102.1.2 and the 2018 Energy Conservation Code Table R402.1.2 based upon ambiguity, as it agreed with the agency’s contention that these Rules are interconnected to Tables N1102.1.4 and R402.1.4. Therefore, without approving the corresponding changes to Tables N1102.1.4 and R402.1.4, these Rules are unclear as written.
