Dear Ms. Everett:

At its meeting this morning, the Rules Review Commission extended the period of review for the above-captioned rules in accordance with G.S. 150B-21.10. They did so in response to a request from the agency to extend the period in order to allow the agency to address the requested technical changes for some of the above-referenced rules and submit the rewritten rules at a later meeting. As the agency represented that the above-referenced rules that had no technical changes requested were intertwined with the rules that had technical changes requested, the Commission granted the agency's request to extend the period of review for all of the above-referenced rules.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.
