

Note from the Codifier: Rules Pending 2022 Legislative Session

Rules subject to review pursuant to G.S. 150B-21.3 by the General Assembly in the 2022 Session have completed 30 legislative days.

Pursuant to G.S. 150B-21.3, if a bill that specifically disapproves a rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. A rule that is specifically disapproved by a bill ratified by the General Assembly before it becomes effective does not become effective.

Rules entered into NC Administrative Code effective August 23, 2022

A legislative bill was not introduced to disapprove these rules within the first 30 legislative days; therefore, the rules went into effect on the 31st legislative day (August 23, 2022).
