REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: STATE BOARD OF CHIROPRACTIC EXAMINERS

RULE CITATION: 21 NCAC 10 .0202

DEADLINE FOR RECEIPT: March 13, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Fee Consultation: On Form 0400, you indicated that you requested a fee consultation for this rule on 8/28/25. Did the consultation take place? And if so, when? I also note that the relevant statute, G.S. 12-3.1(a), states that the request should be submitted "on the same date the notice of text of the rule is published."

(a), line 7: The word "all" is not necessary.

(a)(4): In your rules, do you explain what the Board considers to be "good moral character"? Or is there a specific definition used by the Board? If not, you will need to add this somewhere. The RRC has recently raised concerns of ambiguity over the use of "good moral character" requirements in rules that do not provide a clear standard for regulated persons.

(a)(4), line 12: Add the word "by" in between "submitted" and "Board-licensed".

(a)(7), line 17: Move the word "ever" to follow "has", for consistency with the rest of the rule.

(a)(8), line 19: Add a comma after "mental".

(a)(8), line 19: What is an "infirmary" in this context? Does this have some special medical meaning? How would one know what qualifies as a reportable mental or emotional weakness? This provision seems rather vague/unclear.

(a)(9), line 22 and line 24: Replace the "/" with "or".

(a)(10): What kind of "credential"? A chiropractic credential? Be more specific, if possible.

(a)(11), line 28: The phrase "under any laws" is probably not needed.

Christopher S. Miller
Commission Counsel

Date submitted to agency: February 27, 2026

(a)(11), line 29: Add a comma after “date”.

(a)(14): “Criminal” charges? “Civil” charges? Both? Something different?

(a)(15), line 36: Move the word “ever” to follow “has”. Same comment applies to (16) and (17).

(a)(15), lines 36-37: What is a “formal” disciplinary sanction? I would suggest removing the word “formal” unless you believe it is necessary.

(a)(19): You should consider defining “Acupuncture” in your rules.

(a)(22)(A): You can leave it, but the reference to the Board’s website here is not necessary.

(a)(22)(C): Consider referencing § 90-143.3 here for clarity to applicants.

(a)(23): I believe you mean Paragraph (c), not (d).

(b): Is an “exam application” different than a “licensure application”? If so, do they have different deadlines and different requirements? The language used in the rule is not clear.

(c): Does this mean that electronic payment by credit card is the only way to pay the fee? Or is this statement not meant to be exhaustive?

(c), line 35: This was previously paragraph (d). You should denote the paragraph change in the rule text with strikethrough.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: STATE BOARD OF CHIROPRACTIC EXAMINERS

RULE CITATION: 21 NCAC 10 .0203

DEADLINE FOR RECEIPT: March 13, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Fee Consultation: On Form 0400, you indicated that you requested a fee consultation for this rule on 8/28/25. Did the consultation take place? And if so, when? I also note that the relevant statute, G.S. 12-3.1(a), states that the request should be submitted "on the same date the notice of text of the rule is published."

(a): Since they have their own unique requirements, I would suggest separating out the information for reciprocity applicants (lines 7-12) into its own paragraph.

(a)(1): Change "completed" to "complete," for consistency with the rest of the list.

(a)(2): I believe you mean 21 NCAC 10 .0202(c), based on the updated version of the rule.

(b), line 17: Add "of this Section" after "Rule .0202".

(d), last sentence: For clarity, I would suggest revising this to read as: "The Board shall not issue a license to an applicant for whom the Board has not received official score reports from the examination testing provider showing passage of the examination set forth in Paragraph (c) of this Rule."

(e)(1), line 34: Why do you include "(WCCE)" after Part III? The other exam Parts mentioned in this rule do not include any additional info. Is there a reason for this?

(e), page 2, lines 3-4: This is Paragraph (e) of this Rule. You can just state, "... pursuant to this Paragraph ..." rather than "pursuant to Paragraph (e) of this Rule".

(f)(2): (e), page 2, lines 3-5 already require these persons to take/pass the SPEC. This seems to be redundant.

Christopher S. Miller
Commission Counsel

Date submitted to agency: February 27, 2026

(f)(3): Is G.S. 90-155 the correct citation? If so, which specific provision of that statute is applicable? That statute discusses annual renewal fees and inactive status, but it has no mention of license “cancellation.” Please confirm.

(f)(3), lines 21-25: The last three sentences here should be moved to a new, separate line below (3).

(g): Is the “jurisprudence examination” separate from the “North Carolina examination”? You use these terms inconsistently throughout your rules. It’s not clear if there is a difference. Please revise if needed.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: STATE BOARD OF CHIROPRACTIC EXAMINERS

RULE CITATION: 21 NCAC 10 .0204

DEADLINE FOR RECEIPT: March 13, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Fee Consultation: On Form 0400, you indicated that you requested a fee consultation for this rule on 8/28/25. Did the consultation take place? And if so, when? I also note that the relevant statute, G.S. 12-3.1(a), states that the request should be submitted "on the same date the notice of text of the rule is published."

(c), line 12: The word "only" is not needed.

(d)(4): Move "ever" to follow after "has", for consistency.

(d)(5), line 27: Add a comma after "mental".

(d)(5), line 27: What is an "infirmary" in this context? Does this have some special medical meaning? How would one know what qualifies as a reportable mental or emotional weakness? This provision seems rather vague/unclear.

(d)(6), line 30 and line 32: Replace the "/" with "or".

(d)(7): What kind of "credential"? A chiropractic credential? Be more specific, if possible.

(d)(8), line 36: The phrase "under any laws" is probably not needed.

(d)(8), line 37: Add a comma after "date".

(d)(11): "Criminal" charges? "Civil" charges? Both? Something different?

(d)(12), line 7: Move the word "ever" to follow "has". Same comment applies to (13) and (14).

Christopher S. Miller
Commission Counsel

Date submitted to agency: February 27, 2026

(d)(12), lines 7-8: What is a “formal” disciplinary sanction? I would suggest removing the word “formal” unless you believe it is necessary.

(d)(16): You should consider defining “Acupuncture” in your rules.

(d)(17)(A): You can leave it, but the reference to the Board’s website here is not necessary.

(d)(17)(C): Consider referencing § 90-143.3 here for clarity to applicants.

(e), line 32: You use both “on-line” and “online”. Pick one or the other.

(j), line 17: Based on your updates, this should be “Rule .0202(c)”.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

AGENCY: STATE BOARD OF CHIROPRACTIC EXAMINERS

RULE CITATION: 21 NCAC 10 .0207

DEADLINE FOR RECEIPT: March 13, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

In reviewing this Rule, the staff recommends the following changes be made:

(a), line 6: Is all of the information required by the "Application" form set forth below in this Rule? Please confirm.

(d)(3): What does "within the extent and limitation of chiropractic licensure in this State" mean? Can you make reference to another rule or definition here? This is not very clear.

(e)(3), line 14: Add a comma after "subject matter".

(f), lines 23-24: Is this different than the "agent" mentioned in (e)(4)? Isn't the agent already responsible for monitoring seminar compliance? Is this an additional person sent by the Board?

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: STATE BOARD OF CHIROPRACTIC EXAMINERS

RULE CITATION: 21 NCAC 10 .0213

DEADLINE FOR RECEIPT: March 13, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Fee Consultation: On Form 0400, you indicated that you requested a fee consultation for this rule on 8/28/25. Did the consultation take place? And if so, when? I also note that the relevant statute, G.S. 12-3.1(a), states that the request should be submitted "on the same date the notice of text of the rule is published."

(b)(3): In your rules, do you explain what the Board considers to be "good moral character"? Or is there a specific definition used by the Board? If not, you will need to add this somewhere. The RRC has recently raised concerns of ambiguity over the use of "good moral character" requirements in rules that do not provide a clear standard for regulated persons.

(b)(5)(E): "under any laws" is probably not needed.

(c)(1), line 36: Consider removing the word "sufficient". This term can be viewed as vague/ambiguous without additional context.

(d)(1), line 17: Consider removing the word "sufficient". This term can be viewed as vague/ambiguous without additional context.

(d)(2), line 26: What "written examination" are you referring to? I don't see one mentioned previously in the rule. The exam set forth in (c)(2)? Please clarify.

(d)(2), page 3, lines 3-4: Are these subsections of the Practical Exam required by this Rule?

(d)(2), page 3, lines 4-5: Is this evaluation form described in your rules? Are the form's required contents set forth somewhere in your rules?

(h), line 35: I believe "applicant" should be changed to "application".

6 amount to the physician for a series of specified treatments and services to be performed by the physician or the
7 physician's staff in the future and that are not covered by insurance. The patient's financial obligation may be payable

34 in the plan that specifies another method of calculation shall be void.

35 (e) Notice of Plan Termination; Prompt Refund. The physician may require that a patient give notice of plan
36 termination by delivery of a paper writing dated and signed by the patient or a person authorized to sign in the patient's

(a), line 4: Add "be" in between "would" and "considered".
